If (a) any objections are asserted with respect to the transactions contemplated hereby under any Antitrust Law or if any suit is instituted by any Governmental or Regulatory Authority or any private party challenging any of the transactions contemplated hereby as violating any Law, including any Antitrust Law, or (b) any filing made pursuant to Section 6.1 is reasonably likely to be rejected or conditioned by any Governmental or Regulatory Authority, each party hereto shall use reasonable best efforts to resolve such objections such Governmental or Regulatory Authority or private party may have to such transactions, including to vacate, lift, reverse or overturn any Order, whether temporary, preliminary or permanent, so as to permit consummation of the transactions contemplated by this Agreement, provided, however, that notwithstanding anything to the contrary herein, without limiting the obligations and commitments described in Section 7.11, Purchaser and its Affiliates shall have no obligation to, in order to mitigate or otherwise remedy any requirements of, or concerns of, any Governmental or Regulatory Authority or to obtain any required consent, clearance or approval under any Antitrust Law, (x) proffer, negotiate, effect, agree to, or consent to a governmental order providing for, any sale, divestiture, license or other disposition, or the holding separate, of particular Acquired Assets, categories of Acquired Assets or lines of business, of either Acquired Assets or lines of business of the Business or of any other assets or lines of business of Purchaser or any of its Affiliates, or (y) proffer, negotiate, effect, agree to, or and consent to any other behavioral remedy, restriction, prohibition or limitation on any of the Acquired Assets, the Business, Purchaser or any of Purchaser's Affiliates ((x) and (y), individually, or in the aggregate, a "**Remedy Action**"). In no event shall any Sellers proffer, offer, commit to, consent to or agree to or effect any Remedy Action without the prior written consent of Purchaser. If Purchaser agrees to take any Remedy Action, then, if requested by Purchaser, Sellers shall agree to such Remedy Action; provided that any taking of such Remedy Action is conditioned on the consummation of the Closing.

ARTICLE VII

Certain Covenants

Section 7.1 Conduct of Business Pending Closing. Except (1) those matters set forth in Section 7.1 of the Seller Disclosure Schedules, (2) as otherwise expressly contemplated by this Agreement, (3) as required by any applicable Law or any Governmental or Regulatory Authority, or (4) with the written consent of Purchaser (which consent will not be unreasonably withheld, conditioned or delayed), during the period from the Execution Date to the Closing Date, each Seller will:

(a) (i) use its Reasonable Efforts, consistent in all material respects with current practice, to continue to operate in the Ordinary Course of Business and to preserve its business organization and (ii) use its Reasonable Efforts to comply with all Laws applicable to the conduct of the Business or the ownership and use of the Acquired Assets;

(b) not cancel, terminate, fail to renew or materially amend, modify or change, in any material respect, any material Transferred Permit, in each case, other than in the Ordinary Course of Business;

(c) not amend, supplement or modify in any material respect, terminate (other than with cause or due to expiration or termination by the counterparty) or waive any material term under, exercise any material option under or give any material consent with respect to any Transferred Contract, in each case, other than in the Ordinary Course of Business;

(d) not take any of the actions described in Section 5.1(t)(ii) through 5.1(t)(v); and

(e) not agree in writing to take any of the actions described above in clauses (a) through (d) of this Section 7.1.

Section 7.2 Efforts to Satisfy Closing Conditions. Each party to this Agreement will use their good-faith, reasonable best efforts to take, or cause to be taken, all actions necessary, proper or advisable to (a) satisfy all of the conditions set forth in Article IX, (b) comply promptly with all legal requirements that may be imposed on such party with respect to the transactions contemplated by this Agreement and, subject to the conditions set forth in Article IX, to consummate the transactions contemplated by this Agreement, and (c) make any required filing with or notification to, and obtain (and to cooperate with the other party to obtain) any consent, authorization, order or approval of, or any exemption by, any Governmental or Regulatory Authority and any other third party that is required to be made or obtained by it in connection with the transactions contemplated by this Agreement, including, in the case of the Purchaser, the Purchaser Required Approvals.

Section 7.3 Assets or Liabilities Incapable of Transfer. To the extent that any Acquired Asset or Assumed Liability is not assignable or transferable without the consent of another Person (including if transfer is not permitted under applicable Law and/or by any Applicable Governmental or Regulatory Authority, which are otherwise governed by Section 6.1 and Section

6.3) and such consent requirement is not made unenforceable by the Bankruptcy Code, this Agreement will not constitute an assignment or transfer thereof, an attempted assignment or transfer thereof, or an agreement to effect such an assignment or transfer, if such assignment or transfer, attempted assignment or transfer, or agreement would constitute a breach thereof. Sellers, following the Execution Date, upon the reasonable request of the Purchaser or a Designated Purchaser, will use their Reasonable Efforts to obtain, at no additional cost to Purchaser or a Designated Purchaser, the consent of such other Person to the assignment or transfer of any such Acquired Asset and/or Assumed Liability to Purchaser or a Designated Purchaser in all cases in which (a) such consent is or may be required for such assignment or transfer and (b) such consent requirement is not made unenforceable by the Bankruptcy Code. Purchaser and any Designated Purchaser will cooperate with Sellers in their efforts to obtain such consents. For purposes of clarification, Reasonable Efforts by Sellers will in no event require the payment of any money or other consideration, or permit, or without the prior written consent of Purchaser, the amendment or modification of any material term or provision of any Transferred Contract or Transferred Permit, but Reasonable Efforts shall include appropriate filings by Sellers in the Bankruptcy Court seeking a determination that the Bankruptcy Code renders unenforceable the consent requirement in question. Notwithstanding the foregoing, if Sellers shall have complied with their obligations under this Agreement with respect to using efforts to obtain such consents and the failure to obtain any such consent would not constitute a breach or inaccuracy of any of the Sellers' representations and warranties in this Agreement, the failure to obtain any such consent in and of itself will not give rise to any breach by Sellers of this Agreement. In such event, the Closing will proceed with respect to the remaining Acquired Assets upon the terms and subject to the conditions hereof, and Sellers and Purchaser (or a Designated Purchaser) will cooperate in good faith to achieve a mutually agreeable arrangement, to the extent feasible and without the need for any consent and at the sole cost of the Purchaser, under which Purchaser or a Designated Purchaser would obtain the benefits and assume the obligations and the economic burdens associated with such Acquired Assets in accordance with this Agreement, including subcontracting, sub-licensing, or subleasing to Purchaser or a Designated Purchaser, or under which Sellers would enforce their rights thereunder for the benefit of Purchaser or a Designated Purchaser with Purchaser or a Designated Purchaser assuming each applicable Sellers' obligations and the economic burdens thereunder. Beneficial ownership of the relevant Acquired Assets and Assumed Liabilities will pass to Purchaser for all purposes, including Tax purposes, at the Closing to the fullest extent permitted by applicable Law.

Section 7.4 Receipt of Misdirected Assets.

(a) From and after the Closing, if any Seller receives any right, property or asset that is an Acquired Asset, the applicable Seller shall promptly transfer, or shall cause to be transferred, such right, property or asset (and shall promptly endorse and deliver, or shall cause to be endorsed and delivered, any such asset that is received in the form of cash, checks or other documents) to Purchaser or a Designated Purchaser, and such asset will be deemed the property of Purchaser or a Designated Purchaser held in trust by such Seller for Purchaser or a Designated Purchaser until so transferred.

(b) From and after the Closing, if Purchaser or any of its Affiliates receives any right, property or asset that is an Excluded Asset, Purchaser shall promptly transfer or shall cause to be transferred, such asset (and shall promptly endorse and deliver or shall cause

to be endorsed and delivered any such right, property or asset that is received in the form of cash, checks, or other documents) to the applicable Seller, and such asset will be deemed the property of such Seller held in trust by Purchaser for such Seller until so transferred.

Section 7.5 Insurance Matters. Purchaser acknowledges that, subject to the next sentence, upon Closing, all nontransferable insurance coverage provided in relation to any Seller and the Acquired Assets that is maintained by such Seller (whether such policies are maintained with third party insurers or with Seller) shall cease to provide any coverage with respect to the Acquired Assets and no further coverage shall be available to Purchaser or with respect to the Acquired Assets under any such policies. From and after the Closing, Purchaser shall have the right to make Claims and the right to any proceeds with respect to any matter solely to the extent related to the Acquired Assets or Assumed Liabilities under any insurance policies for occurrence-based claims inuring to the benefit of Sellers for periods prior to the Closing, and Sellers shall use Reasonable Efforts to seek recovery or allow Purchaser to seek recovery (at Purchaser's sole cost and expense) under such insurance policies, and Sellers shall cooperate with Purchaser's reasonable requests if it seeks recovery, with respect to such matters and shall remit (or, at Purchaser's request, direct any such insurer to pay directly to Purchaser) any insurance proceeds actually obtained therefrom (net of Sellers' out-of-pocket costs and expenses incurred in connection with seeking such recovery, to the extent not otherwise paid or reimbursed by Purchaser) to Purchaser or its designee.

Section 7.6 Discovery of Breach. Sellers shall promptly notify Purchaser if, prior to the Closing, Sellers conclude or discover that any of Sellers' representations and warranties contained in this Agreement is not accurate such that the conditions set forth in Article IX are incapable of being satisfied. Purchaser shall promptly notify Sellers if, prior to the Closing, Purchaser concludes or discovers that any of Purchaser's representations and warranties contained in this Agreement is not accurate such that the conditions set forth in Section 9.2 are incapable of being satisfied.

Section 7.7 Restricted Use of Confidential Information. Purchaser acknowledges and agrees that all information furnished to it in connection with this Agreement, the Related Agreements or the transactions contemplated hereby or thereby (a) is subject to the Confidentiality Agreement, the terms of which are incorporated herein by reference, and (b) subject to Section 1 of the Confidentiality Agreement, constitutes Confidential Information. Notwithstanding anything to the contrary contained in the Confidentiality Agreement (including any expiration or termination thereof in accordance with its terms), the parties hereto agree that (i) during the period from the Execution Date to the Closing Date, Purchaser shall hold all Confidential Information in accordance with the obligations set forth in the Confidentiality Agreement (as if Purchaser were the party receiving such Confidential Information, the "**Receiving Party**," thereunder) and (ii) from and after the Closing Date, for a period of five (5) years (other than with respect to trade secrets, which shall be for so long as they remain trade secrets under applicable Law), (x) Purchaser shall hold all Confidential Information, to the extent relating to any Excluded Assets, Excluded Liabilities or Business Employees (other than Transferred Employees), in accordance with the confidentiality and non-disclosure obligations set forth in the Confidentiality Agreement (as if Purchaser were the Receiving Party thereunder) and (y) except as required by Law, Sellers shall not disclose to any third party any Business Books and Records, or any other information that is confidential and non-public to the extent relating to the Business, any Acquired Assets, Assumed Liabilities or Transferred Employees, and shall not use any such Business Books and

Records or such other information except in furtherance of its obligations pursuant to this Agreement and any Related Agreement, or in any Action (other than to institute an Action against Purchaser or any of its Affiliates, or otherwise against Purchaser or any of its Affiliates for any purpose other than in furtherance of its rights or obligations pursuant to this Agreement and any Related Agreement). If this Agreement is terminated for any reason prior to the Closing, the Confidentiality Agreement shall continue in full force and effect in accordance with its terms.

Section 7.8 Review and Inspections. During the period from the Execution Date to the Closing Date, upon reasonable advance written notice, Sellers will provide Purchaser and its Representatives and designees with reasonable access to Sellers' books, records, systems, system master data and transactional data and facilities and reasonably make appropriate accountants, attorneys and advisors available during normal business hours for purposes of facilitating the transfer to Purchaser of the Acquired Assets and Assumed Liabilities or otherwise in furtherance of the Closing, and will reasonably promptly comply with any reasonable requests relating thereto made by or on behalf of Purchaser. Notwithstanding any of the foregoing provisions of this Section 7.8, nothing in this Agreement shall obligate the parties to share any information in violation of Law or covered by the attorney client privilege, work product doctrine or other similar privilege if such sharing would result in the loss of such privilege; provided, that the parties will use Reasonable Efforts to share information protected from disclosure under the attorney-client privilege, work product doctrine, joint defense privilege or any other privilege pursuant to this Section 7.8 in a manner so as to avoid such violation of Law or preserve the applicable privilege. Any party may share information with any other party on an "outside counsel only" basis. Sellers acknowledge that Purchaser's review includes an assessment of and preparation for the efficient and orderly transition of the Business to Purchaser, at and after and subject to the Closing. Notwithstanding any of the foregoing provisions of this Section 7.8, Purchaser shall not have the right to conduct invasive environmental investigation of any kind on the Acquired Assets, or conduct any structural evaluation or invasive environmental investigation of any kind, including in the form of soil and groundwater sampling, nor be entitled to any environmental reports.

Section 7.9 Transfer of Acquired Intellectual Property.

(a) **Recordation of Transfer.** Notwithstanding anything to the contrary in this Agreement or any Related Agreement, after the Closing Purchaser shall, and shall cause any applicable Affiliate of Purchaser to, be responsible for preparing and filing all instruments and documents necessary to effect the assignment of the Acquired Intellectual Property to Purchaser and its Affiliates, including all costs and expenses of preparing and recording country-specific assignments and legalization of signatures (where required); provided that Sellers shall use Reasonable Efforts to cooperate with Purchaser after the Closing in connection with any other all instruments of transfer, conveyance, assignment and assumption and any other documents reasonably requested by Purchaser necessary to effect and record the assignment of the Acquired Intellectual Property to Purchaser.

(b) **Transfers Preceding the Sale.** Seller shall also use Reasonable Efforts to complete, prior to the Closing, all actions necessary to record any prior assignments of Acquired Intellectual Property executed before this Sale, and shall deliver to Purchaser at the Closing evidence of the assignment and recordation thereof; provided that, to the extent Reasonable Efforts are unsuccessful, Sellers shall not be required to obtain any

documentation, cooperation or consents from any Persons other than Sellers and their Affiliates and their respective employees.

(c) ITU Applications. With respect to the trademark applications listed on Section 1.1(e) of the Seller Disclosure Schedules for which a Statement of Use under 15 U.S.C. §1051(d) or Allegation to Amend Use under 15 U.S.C. §1051(c) has not been filed or accepted by the USPTO as of the Closing, such applications shall not be included in the Acquired Intellectual Property. Instead, Seller shall coordinate with Purchaser to file a Request for Express Abandonment (Withdrawal) of Application under 37 C.F.R. §2.68(a) at such time as Purchaser requests in writing; provided that such request shall not be made later than ninety (90) days after the Closing.

Section 7.10 Support Obligations. Purchaser shall use Reasonable Efforts to ensure that, effective as of Closing, Sellers and their Affiliates are released from the credit support obligations (including the letters of credit) provided by Sellers or any of their Affiliates with respect to the Business, the Acquired Assets or the operation thereof, including those listed on Section 7.10 of the Seller Disclosure Schedules, as the same may be updated from time to time by the Sellers to include additional credit support provided by Sellers or any of their Affiliates with respect to the Business, the Acquired Assets or the operation thereof at any time on or after the Execution Date and prior to Closing in accordance with the terms and conditions set forth herein (collectively, the “**Support Obligations**”). To the extent any Support Obligations have not been released in full with effect as of Closing, Purchaser shall indemnify and hold harmless each Seller against, and reimburse each such Seller for, all Liabilities, fees, costs and any other amounts reasonably paid by such Seller in connection with such unreleased Support Obligations from and after the Closing.

Section 7.11 Data Privacy and Security. Following the Closing, in connection with any and all processing of Customer Data in the operation of the Business and owned or controlled by, licensed to or otherwise in the possession of any Seller, Purchaser and its Affiliates shall (a) comply with such Seller’s privacy policies and statements, consent documents and all applicable Privacy Laws, for the avoidance of doubt, as if Purchaser or such Affiliate were such Seller, (b) process all Customer Data in accordance with user consents, privacy policies and statements, terms of service, and notices in effect as the date of this Agreement (collectively “**Current Notices**”), in each case, in compliance with applicable Privacy Laws, for the avoidance of doubt, as if Purchaser or such Affiliate were such Seller, (c) employ appropriate security controls and procedures (technical, operational, and managerial) designed to protect Customer Data that comply with applicable Privacy Laws, and (d) before any use of Personal Information for any purpose not contemplated by the Current Notices (i) to the extent required under applicable Privacy Laws, inform all data subjects whose Customer Data will be impacted by providing them modified Current Notices that describe the new purpose, (ii) to the extent required under applicable Privacy Laws, obtain each data subject’s consent in the form required under applicable Privacy Laws, and (iii) take all other actions required under the Current Notices and applicable law (including all applicable Privacy Laws).

Section 7.12 Reserved.

Section 7.13 Reserved.

Section 7.14 Intellectual Property Matters.

(a) Effective as of the Closing, Purchaser (on behalf of itself and its Affiliates) hereby grants to Sellers and its Affiliates a non-exclusive, royalty-free, fully paid-up, perpetual, irrevocable, sublicenseable (to the extent set forth in (c)), non-transferrable, worldwide license to use the Licensed IP (excluding Patents, Trademarks and Internet Properties) to use the Excluded Assets to the extent necessary for an orderly wind-down of the Excluded Business. Notwithstanding anything to the contrary in this Agreement, the license to use the Licensed IP that is contemplated by this Section 7.14(a) shall terminate upon the completion of the wind-down of the Excluded Business.

(b) Subject to the terms and conditions of this Section 7.14(a), Purchaser, on behalf of itself and its Affiliates hereby grants Sellers and its Affiliates a limited non-exclusive, royalty-free, fully paid-up, irrevocable worldwide license to use the Trademarks included in the Acquired Intellectual Property solely to the extent, and in substantially the same manner and form, used by the Excluded Business prior to Closing and to the extent necessary for an orderly wind-down of the Excluded Business; provided that Sellers shall remove, strike or paper over and cease using, and shall cause each of its Affiliates to remove, strike or paper over and cease using, such Trademarks as soon as reasonably practicable following the Closing but in any event no later than the earlier of (i) six (6) months of the Closing or (ii) the completion of the wind-down of the Excluded Business; provided, further, that all goodwill associated with Sellers' and its Affiliates' use of such Trademarks shall inure to the benefit of Purchaser and its Affiliates. (c) Sellers, in their capacity as the licensee under Section 7.14(a), may sublicense the license and rights granted to it under Section 7.14(a), solely within the scope of the license granted to such Party, in connection with the wind-down of the Excluded Business in the Ordinary Course of Business. Sellers as the licensee shall treat any trade secrets and other confidential information that is licensed to it hereunder with the same degree of care that Sellers treat its own like trade secrets or other confidential information, but in no event with less than reasonable care.

Section 7.15 Tax Matters.

(a) All Transfer Taxes not determined to be exempt in accordance with Section 1146 of the Bankruptcy Code, if any, shall be borne fifty percent (50%) by the

Purchaser and fifty percent (50%) by the Sellers and shall be paid to the appropriate Taxing Authority promptly when due by the Person having the obligation to pay such Transfer Tax under applicable Law. The party hereto responsible under applicable Law for filing a Tax Return with respect to any such Transfer Taxes shall prepare and timely file such Tax Return and promptly provide a copy of such Tax Return to the other parties. The parties shall use reasonable efforts and cooperate in good faith to reduce or eliminate any Transfer Taxes to the extent permitted by applicable Law.

(b) For purposes of this Agreement, with respect to any Acquired Asset or the Business, the Sellers and the Purchaser shall apportion the liability for real and personal property Taxes, ad valorem Taxes, and similar Taxes (“**Periodic Taxes**”) for Straddle Periods applicable to such Acquired Asset or the Business in accordance with this Section 7.15(b). The Periodic Taxes described in this Section 7.15(b) shall be apportioned between the Sellers and the Purchaser as of the Closing Date, with the Purchaser liable for that portion of the Periodic Taxes for a Straddle Period (which portion of such Taxes shall for purposes of this Agreement be deemed attributable to the Post-Closing Tax Period) equal to the Periodic Taxes for such Straddle Period multiplied by a fraction, the numerator of which is the number of days remaining in such Straddle Period after the Closing Date, and the denominator of which is the total number of days in such entire Straddle Period. The Sellers shall be liable for that portion of the Periodic Taxes for a Straddle Period for which the Purchaser is not liable under the preceding sentence (which portion of such Taxes shall for purposes of this Agreement be deemed attributable to the Pre-Closing Tax Period). The party hereto responsible under applicable Law for paying a Tax described in this Section 7.15(b) shall be responsible for administering the payment of such Tax. For purposes of this Agreement, in the case of any Straddle Period, Taxes (other than Periodic Taxes) relating to the Acquired Assets or the Business for the Pre-Closing Tax Period shall be computed as if such taxable period ended as of the closing of business on the Closing Date.

(c) The parties shall provide each other with such assistance as reasonably may be requested by any of them in connection with (i) the preparation of any Tax Return, (ii) the determination of any liability in respect of Taxes or the right to any refund, credit or prepayment in respect of Taxes (including pursuant to this Agreement) or (iii) any audit or other examination by any Taxing Authority, or any judicial or administrative proceeding with respect to any Taxes.

Section 7.16 Excluded Business Wind-Down. As promptly as reasonably practicable following the Closing Date, the Sellers shall wind-down the Excluded Business, and the Purchaser shall exercise commercially reasonable efforts at no cost to Purchaser to cooperate with the Sellers in connection with such wind-down to the extent reasonably requested by the Sellers and necessary for an orderly wind-down of the Excluded Business.

Sellers shall use reasonable best efforts to cooperate with Purchaser (or a Designated Purchaser) in satisfying all necessary requirements, if any, as promptly as practicable and, in any event, prior to or at the Closing, (a) for Purchaser (or a Designated Purchaser) to obtain IRB approval that Purchaser (or a Designated Purchaser) is upon the Closing permitted to process data as sponsor (including phenotype data, survey data and genetic data) and analyze biological samples under Sellers’ IRB protocols, including protocols for

research, tokenization and sample retention, and prior informed consent forms (such approval, the “**IRB Approval**”), (b) to transfer upon the Closing FDA 510(k) and de novo authorizations to Purchaser (or a Designated Purchaser) and (c) for Purchaser (or a Designated Purchaser) to obtain Permits in connection with the Business as replacements for the Specified Permits and, in each case, Purchaser shall bear all reasonable and documented out-of-pocket fees and expenses of Sellers’ third party costs in connection therewith.

ARTICLE VIII

Employee Matters

Section 8.1 Transferred Employees. At least five (5) Business Days prior to, and contingent on, the Closing, Purchaser shall extend an offer of employment to each Business Employee, with such employment to take effect as of the Closing Date under the terms set forth by the Purchaser. Each such Business Employee who accepts an offer of employment from Purchaser and commences employment with Purchaser or an applicable Affiliate of Purchaser shall be referred to herein as a “**Transferred Employee**.” Sellers shall reasonably cooperate with Purchaser as needed to obtain the acceptance of such offers of employment by the Business Employees. Effective as of the Closing, (a) each Transferred Employee previously employed by such Seller shall cease to be an employee of such Seller and become an employee of the Purchaser or its Affiliates; and (b) Sellers hereby waive, for the benefit of Purchaser and its Affiliates, any and all restrictions, whether in any Benefit Plan, Contract or otherwise, that could restrict a Transferred Employee’s service with Purchaser or its Affiliates, including those relating to (i) non-competition with any of the Sellers or their Affiliates or (ii) maintenance of confidentiality of any information for the benefit of any of the Sellers or their Affiliates, in each case with or covering any Transferred Employee.

Section 8.2 WARN Act. Solely with respect to Transferred Employees, Purchaser will have responsibility under the WARN Act relating to any act or omission of Purchaser after the Closing Date; provided that, as soon as reasonably practicable following the Closing Date, Sellers provide Purchaser with a list of employee terminations within ninety (90) days prior to or on the Closing Date that may be aggregated with any termination of Transferred Employees following the Closing Date under the WARN Act or any similar applicable Law. With respect to the Business Employees that are not Transferred Employees, Sellers will have full responsibility under the WARN Act relating to any act or omission of Sellers. Sellers shall be responsible for all other WARN Act Liabilities relating to the periods prior to and on the Closing Date, including any such Liabilities that result from any Business Employees’ separation of employment from Sellers and/or Business Employees not becoming Transferred Employees pursuant to this Article VIII. Unless (a) otherwise agreed to by Sellers and Purchaser or (b) already issued by the Sellers, Sellers agree to issue, no later than sixty (60) days prior to the Closing Date, all applicable WARN Act notices, in a form reasonably acceptable to Purchaser, to the Business Employees and all other parties required to receive notice under the WARN Acts.

Section 8.3 No Third Party Beneficiaries. Nothing herein, express or implied, shall confer upon any other Persons (including any Business Employee or any beneficiary thereof) any rights or remedies hereunder, including any right to employment or continued employment for any

specified period or continued participation in any benefit plan, of any nature or kind whatsoever under or by reason of this Agreement. Nothing herein restricts or precludes the right of Purchaser or any of its Affiliates to terminate the employment of any Transferred Employee. Purchaser and Sellers agree that the provisions contained herein are not intended to be for the benefit of or otherwise be enforceable by, any third party, including any Business Employee.

Purchaser will have received a certificate from Sellers signed on behalf of each Seller by a duly authorized officer thereof with respect to the foregoing.

(b) Covenants. The covenants and agreements of Sellers to be performed on or prior to the Closing, will have been duly performed in all material respects. Sellers will have received from Purchaser an amount equal to (i) the Purchase Price minus (ii) the Earnest Deposit, as provided and in accordance with Section 3.1(b) of the Agreement. Section 9.4 Frustration of Closing Conditions. Purchaser may not rely on the failure of any condition set forth in this Article IX to be satisfied if such failure was caused by Purchaser's failure to comply with the terms of this Agreement. Sellers may not rely on the failure of any condition set forth in this Article IX to be satisfied if such failure was caused by any Seller's failure to comply with the terms of this Agreement.

ARTICLE X

Termination

Section 10.1 Termination. Subject to Section 10.1(i), this Agreement may be terminated at any time prior to the Closing Date:

(a) by written agreement of Sellers and Purchaser;

(b) by either Purchaser, on the one hand, or Sellers, on the other hand, by written notice to the other, if the Closing has not occurred on or prior to the Outside Closing Date (unless, in each case, the failure to consummate the Closing by such date is due to the failure of the party seeking to terminate this Agreement to have fulfilled any of its obligations under this Agreement);

(c) by either Purchaser, on the one hand, or Sellers, on the other hand, by written notice to the other, in the event that any Governmental or Regulatory Authority has issued a final, non-appealable Order or ruling or taken any other final, non-appealable Action, or any applicable Law has been entered, adopted, enacted or promulgated, in each case permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement that is not stayed by the commencement of the Bankruptcy Cases or any Order of the Bankruptcy Court; provided, that a party shall not be permitted to terminate this Agreement pursuant to this Section 10.1(c) if such Order or Action resulted from such party's material breach of any of its obligations under this Agreement;

Section 11.2 Bankruptcy Court Approvals.

(a) Sellers and Purchaser acknowledge that this Agreement is subject to approval by the Bankruptcy Court by entry of the Sale Order. Sellers and Purchaser shall use Reasonable Efforts to obtain entry by the Bankruptcy Court of the Sale Order. After entry of the Sale Order, Sellers shall not take any action which is intended to, or fail to take any action the intent of which failure to act is to, result in the reversal, voiding, modification or staying of the Sale Order.

(b) Sellers shall seek on an expedited basis, if necessary, any other necessary orders besides the Sale Order, by the Bankruptcy Court to consummate the Closing as soon as reasonably practicable following the Sale Hearing and approval of the Sale, subject to the terms of the Bidding Procedures Order and Sale Order.

(c) If Purchaser is selected as the Successful Bidder or Backup Bidder pursuant to the Bidding Procedures Order and the Bidding Procedures, a list of the Transferred Contracts shall be filed with the Bankruptcy Court and served upon applicable counterparties pursuant to and in accordance with the Bidding Procedures Order. Such list shall set forth the applicable Cure Amounts, if any, for each Transferred Contract as reasonably estimated in good faith by Sellers.

(e) The Sale Order shall, among other things, (i) approve, pursuant to sections 105, 363 and 365 of the Bankruptcy Code, (A) the execution, delivery and performance by Sellers of this Agreement, (B) the sale of the Acquired Assets to Purchaser on the terms set forth herein and free and clear of all Liens, Liabilities and other Interests as of the Closing Date (except Permitted Encumbrances), and (C) the performance by Sellers of their obligations under this Agreement, (ii) provide that Purchaser shall have the right to use the Acquired Assets on and after the Closing Date in the same manner and for the same purposes as used by Sellers prior to the Closing Date (the “**Proposed Use**”), including the right to use survey data, phenotype data, other self-reported information, linked health data, genetic data and biological samples, in each case pursuant to and in accordance with the privacy policies, informed consents and IRB approvals, waivers and protocols of or applicable to Sellers, and that the transfer of the Acquired Assets complies with the Bankruptcy Code and applicable non-bankruptcy law and, solely to the extent that any party has filed an objection to the Sale that the Sellers’ Proposed Use of the Acquired Assets immediately prior to the Closing Date violates the applicable non-bankruptcy law raised in such objection, that such Proposed Use does not violate applicable non-bankruptcy Law; (iii) authorize and empower Sellers to assume and assign to Purchaser the Transferred Contracts, (iv) find that Purchaser is a “good faith” purchaser within the meaning of section 363(m) of the Bankruptcy Code, find that Purchaser is not a successor to any Seller, and grant Purchaser the protections of section 363(m) of the Bankruptcy Code, (v) find that, with respect to any Liability or other obligation of Sellers or for payment of any benefit accruing to Sellers, except as expressly set forth in this Agreement, Purchaser shall have no Liability or responsibility, including successor or vicarious Liabilities of any kind or character, including any theory of antitrust, environmental, successor, or transferee Liability, labor law, de facto merger, or substantial continuity, (vi) find that Purchaser has provided adequate assurance (as that term is used in section 365 of the Bankruptcy Code) of future performance in connection with the assumption of the Transferred Contracts, (vii) find that Purchaser shall have no Liability for any Excluded Liability, (viii) find that the consideration provided by Purchaser pursuant to this Agreement constitutes reasonably equivalent value and fair consideration for the Acquired Assets, (ix) find that Buyer and Sellers did not engage in any conduct which would allow this Agreement to be set aside pursuant to section 363(n) of the Bankruptcy Code and (x) order that, notwithstanding the provisions of the Federal Rules of Bankruptcy Procedures 6004(h) and 6006(d), the Sale Order is not stayed and is effective immediately upon entry.

(f) If the Sale Order or any other Orders of the Bankruptcy Court relating to the transactions contemplated by this Agreement shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or re-argument shall be filed with respect to the Sale Order or other such Order), subject to rights otherwise arising from this Agreement, including each party’s respective right to terminate this Agreement pursuant to Section 10.1, Sellers and Purchaser shall use their Reasonable Efforts to oppose such appeal, petition or motion and obtain an expedited resolution of any such appeal, petition or motion, and provide copies of such filings within two (2) Business Days prior to filing, to the extent reasonably practicable.

(g) Sellers shall not voluntarily pursue or seek or fail to use Reasonable Efforts to oppose any third party in pursuing or seeking, a conversion of the Bankruptcy Case to a case under Chapter 7 of the Bankruptcy Code, the appointment of a trustee under Chapter 11 or Chapter 7 of the Bankruptcy Code, the appointment of an examiner with expanded powers to operate the Sellers' business, dismissal of the Bankruptcy Case.

(h) Sellers shall keep Purchaser reasonably apprised of the status of material matters related to this Agreement, including promptly serving true and correct copies of all applicable pleadings and notices in accordance with the Bidding Procedures Order, the Bankruptcy Code, the Bankruptcy Rules and any other applicable order of the Bankruptcy Court.

(i) Sellers shall not propose, file, support, pursue or seek entry of, or aid in another party proposing, filing, supporting, pursuing or seeking entry of, an order confirming a chapter 11 plan that materially and adversely impacts Purchaser's rights hereunder without Purchaser's prior written consent. For the avoidance of doubt, notwithstanding any other provision of this Agreement, this Section 11.2(i) shall survive the Closing.

Section 11.3 Further Filings and Assurances.

(a) Purchaser agrees that it will promptly take such actions as are reasonably requested by Sellers to assist in obtaining entry of the Sale Order and a finding of adequate assurance of future performance by Purchaser, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by Purchaser under the Transferred Contracts and demonstrating that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

(b) In the event the entry of the Sale Order shall be appealed, each party shall use its respective Reasonable Efforts to defend against such appeal, provided, that nothing herein shall alter, amend or modify the conditions to Closing set forth in Article IX hereof.

Section 11.5 Free and Clear. The transfer of the Acquired Assets shall vest Purchaser with all right, title, and interest of Sellers in the Acquired Assets free and clear of any and all Liens, Liabilities and other Interests (other than Permitted Encumbrances) pursuant to Section 363 of the Bankruptcy Code, whether arising by statute or otherwise and whether arising before or after the commencement of the Bankruptcy Cases, whether known or unknown, including Interests of or asserted by any of the creditors, vendors, employees, suppliers, or lessors of Sellers or any other third party; provided, that any and all such Liens, Liabilities and other Interests shall attach to the net proceeds of the Purchase Price, with the same priority, validity, force, and effect as they now

ARTICLE XII

Miscellaneous

Section 12.1 Survival. All covenants and agreements contained herein which by their terms are to be performed in whole or in part, or which prohibit actions, subsequent to the Closing shall, solely to the extent such covenants and agreements are to be performed, or prohibit actions, subsequent to the Closing, survive the Closing in accordance with their terms until fully performed or satisfied. All other covenants and agreements contained herein, and all representations and warranties contained herein or in any certificated deliveries hereunder, in each case shall not survive the Closing and shall thereupon terminate and be of no further force or effect, including any actions for damages in respect of any breach or inaccuracy thereof.

Section 12.2 Governing Law and Jurisdiction. Except to the extent governed by the Bankruptcy Code, this Agreement will be governed by and be construed in accordance with the Laws of the State of Delaware, without regard however to the conflicts of laws principles thereof. Without limiting any party's right to appeal any Order of the Bankruptcy Court, (a) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Claims or disputes that may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby, including, but not limited to, the assumption and assignment of the Transferred Contracts, and (b) any and all legal proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the parties hereto hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations pursuant to Section 12.3 hereto. To the extent not prohibited by applicable Law or Bankruptcy Court rule, each party hereby waives and agrees not to assert, by way of motion, as a defense or otherwise in any such proceeding, any Claim (i) that it is not subject to the jurisdiction of the Bankruptcy Court, (ii) that the proceeding is brought in an inconvenient forum, (iii) that it is immune from any legal process with respect to itself or its property, (iv) that the venue of the proceeding is improper or (v) that this Agreement or the subject matter hereof or thereof may not be enforced in or by such court. Each of the parties hereto hereby (x) irrevocably submits with regard to any such legal proceeding to the exclusive personal jurisdiction of the Bankruptcy Court in the event any dispute arises out of this Agreement or any transaction contemplated hereby, including, but not limited to, the assumption and assignment of the Transferred Contracts, (y) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from the Bankruptcy Court or that such Action is brought in an inconvenient forum and (z) agrees that it shall not bring any Action relating to this

Agreement or any transaction contemplated hereby in any court other than the Bankruptcy Court; provided, that, a party may commence any Action or proceeding in a court other than the Bankruptcy Court solely for the purpose of enforcing an Order or judgment issued by the Bankruptcy Court. The parties waive personal service of any and all process on each of them and consent that all such service of process shall be made in the manner, to the party and at the address set forth in Section 12.3 of this Agreement, and service so made shall be complete as stated in such Section 12.3. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY AGREEMENT DISPUTE IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY IRREVOCABLE AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY AGREEMENT DISPUTE. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH AGREEMENT DISPUTE WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY AGREEMENT DISPUTE, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 12.4 Amendments and Waivers.

(a) This Agreement may be amended, superseded, canceled, renewed, or extended, and the terms hereof may be waived, only by a written instrument signed by the parties hereto or, in the case of a waiver, by the party against whom the waiver is to be effective. Neither the failure nor any delay by any party in exercising any right, power or privilege under this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable Law (i) no claim or right arising out of this Agreement can be discharged by a non-waiving party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the waiving party, (ii) no waiver that may be given by a waiving party will be applicable except in the specific instance for which it is given, and (iii) no notice to or demand on one party will be deemed to be a waiver of any obligation of such party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement.

(b) A failure or omission of any party to insist, in any instance, upon strict performance by another party of any term or provision of this Agreement or to exercise any of its rights hereunder will not be deemed a modification of any term or provision

hereof or a waiver or relinquishment of the future performance of any such term or provision by such party, nor will such failure or omission constitute a waiver of the right of such party to insist upon future performance by another party of any such term or provision or any other term or provision of this Agreement.

Section 12.5 Entire Agreement. This Agreement, together with Seller Disclosure Schedules, all Exhibits and Schedules hereto and the documents, agreements, certificates and instruments referred to herein and therein, including the Related Agreements, Confidentiality Agreement and related Orders, including the Sale Order, constitutes the entire agreement between the parties hereto and with respect to the subject matter hereof and supersedes all prior representations, warranties, agreements, and understandings, oral or written, with respect to such matters and other than any written agreement of the parties that expressly provides that it is not superseded by this Agreement.

Section 12.6 Headings: Interpretation. The headings in this Agreement are intended solely for convenience of reference and will be given no effect in the construction or interpretation of this Agreement. Unless the context otherwise requires, the singular includes the plural, and the plural includes the singular.

Section 12.7 No Assignment: Binding Effect. This Agreement is not assignable by any party without the prior written consent of the other party. Notwithstanding the foregoing, Purchaser may, without the prior written consent of Sellers, assign this Agreement or all or any portion of Purchaser's rights, interests and obligations hereunder to any of its Affiliates upon notice given to Sellers at least five (5) Business Days prior to the Closing, provided, that in no event will such an assignment release Purchaser from its obligations hereunder. This Agreement will be binding upon and will inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 12.8 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. Any electronic signature, including via portable document format (pdf) or DocuSign, attached hereto will be deemed to be an original and will have the same force and effect as an original signature.

Section 12.9 Incorporation by Reference. Seller Disclosure Schedules and other Schedules and Exhibits and the documents referenced therein constitute integral parts of this Agreement and are hereby incorporated by reference herein.

Section 12.10 Time of the Essence. With regard to all dates and time periods set forth or referred to in this Agreement, time is of the essence.

Section 12.11 Specific Performance. Each party hereby acknowledges and agrees that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed by a party in accordance with their specific terms or were otherwise breached by a party. Notwithstanding anything to the contrary herein, if any party violates or refuses to perform any covenant or agreement made by such party herein, without limiting or waiving in any respect any rights or remedies of a party under this Agreement now or hereafter existing at law, in equity

or by statute, the non-breaching party or parties shall, in addition to any other remedy to which a party is entitled at law or in equity, be entitled to specific performance of such covenant or agreement or seek any other equitable relief in respect of such violation or refusal to perform, in each case without the proof of actual damages. Each party agrees to waive any requirement for the security or posting of any bond in connection with any such equitable remedy, and agrees that it will not oppose the granting of any such injunction, specific performance or other equitable relief on the basis that (a) the other party has an adequate remedy at law, or (b) an award of specific performance is not an appropriate remedy for any reason at law or equity.

Section 12.12 No Third Party Beneficiaries.

(a) Except as provided in Section 12.16, the terms and provisions of this Agreement are intended solely for the benefit of the parties hereto and their respective successors and permitted assigns, and it is not the intention of the parties hereto to confer third party beneficiary rights upon any other Person.

(b) For the avoidance of doubt, all provisions contained in this Agreement with respect to employee benefit plans or compensation of any Business Employees are included for the sole benefit of the respective parties hereto, and nothing contained herein (i) shall confer upon any former, current or future employee of Sellers or Purchaser or any legal representative or beneficiary thereof any rights or remedies, including any right to employment or continued employment, of any nature, for any specified period, (ii) shall cause the employment status of any former, present or future employee to be other than terminable at will, (iii) shall confer any third party beneficiary rights upon any employee or any dependent or beneficiary thereof or any heirs or assigns thereof or (iv) shall constitute an amendment of any Benefit Plan or other employee compensation or benefit plan, program, policy or arrangement of Sellers, Purchaser or any of their respective Affiliates.

Section 12.13 Expenses. Whether or not the transactions contemplated hereby are consummated, each party hereto will pay its own costs and expenses incurred in connection with the negotiation, execution and closing of this Agreement and the Related Agreements and the transactions contemplated hereby and thereby provided. In the event of termination of this Agreement, the obligation of each party to pay its own expenses will be subject to any rights of such party arising from a breach of this Agreement by another party, subject to Section 10.2. Notwithstanding the foregoing, (a) Sellers agree to pay all costs of releasing existing Liens and other Interests and recording the releases, (b) Purchaser agrees to pay any filing fees in connection with the filings made pursuant to the HSR Act and any other federal, state or local Governmental or Regulatory Authority in accordance with Section 6.1 and (c) Purchaser will pay the cost of all document recordation costs and all Transfer Taxes will be allocated pursuant to Section 7.15(a).

Section 12.14 Severability. If any term or other provision of this Agreement is illegal, invalid or unenforceable under any Law or as a matter of public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision contained herein is, to any extent, invalid or unenforceable in any respect under the Laws

governing this Agreement, the parties to this Agreement shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the greatest extent possible.

Section 12.15 Public Announcements. Prior to the Closing, unless otherwise required by applicable Law, the Bankruptcy Court, the Bidding Procedures or Bidding Procedures Order or by obligations of Purchaser or Sellers or their respective Affiliates pursuant to any listing agreement with or rules of any securities exchange, Purchaser, on the one hand, and Sellers, on the other hand, shall consult with each other before issuing any press release or otherwise making any public statement with respect to this Agreement or the transactions contemplated hereby and shall not issue any such release or make any such statement without the prior written consent of the other (such consent not to be unreasonably withheld, conditioned or delayed). From and after the Closing, the parties hereto may make public statements with respect to this Agreement or the transactions contemplated hereby so long as such announcements do not disclose the specific terms or conditions of this Agreement, except where such terms and conditions have already been disclosed as required by Law or by obligations of Purchaser or Sellers or their respective Affiliates pursuant to any listing agreement with or rules of any securities exchange or the Bankruptcy Court; provided, that the issuing party shall use its Reasonable Efforts to consult with the other party with respect to the text thereof to the extent practicable. Notwithstanding anything to the contrary, unless otherwise required by applicable Law, the Bankruptcy Court, the Bidding Procedures or Bidding Procedures Order or by obligations of Purchaser or Sellers or their respective Affiliates pursuant to any listing agreement with or rules of any securities exchange, from and after the Execution Date, neither Purchaser nor Sellers shall publish any written content (e.g., blog posts, customer emails, press releases) related to the announcement of the transactions contemplated by this Agreement and/or the profile of the other party, without the prior written consent of the other party (which consent will not be unreasonably withheld, conditioned or delayed).

Section 12.16 No Liability; Release.

(a) (i) No past, present or future director, officer, manager, employee, incorporator, member, partner or equity holder or other Affiliates of (A) any Seller (other than such Seller in its capacity as such), or (B) Purchaser (other than any obligations hereunder or assumed herein), and (ii) none of the lenders or agents under any Indebtedness of a Seller, in any case, shall have any Liability for any obligations or liabilities of Sellers or Purchaser, as applicable, under this Agreement or any agreement document, or instrument entered into in connection with this Agreement for any Claim based on, in respect of, or by reason of, the transactions contemplated by this Agreement. Any Claim or cause of action based upon, arising out of, or related to this Agreement or any agreement, document, or instrument contemplated hereby may only be brought against Persons that are expressly named as parties hereto or thereto, and then only with respect to the specific obligations set forth herein or therein. Other than the parties hereto, no other party shall have any Liability or obligation for any of the representations, warranties, covenants, agreements, obligations, or liabilities of any party under this Agreement or the agreements, documents, or instruments contemplated hereby or for any legal proceeding based on, in respect of, or by reason of, the transactions contemplated hereby or thereby (including the breach, termination, or failure to consummate such transactions), in each case whether

based on contract, tort, fraud, strict liability, other Law or otherwise and whether by piercing the corporate veil, by a claim by or on behalf of a party hereto or another Person or otherwise.

(b) Effective upon the Closing Date, subject to Section 12.16(e), Purchaser acknowledges that it has no Claim, counterclaim, setoff, recoupment, Action or cause of action of any kind or nature whatsoever against any of the individuals or entities within Seller Group, that directly or indirectly arises out of, is based upon, or is in any manner connected with any Prior Event (including, for the avoidance of doubt, any Avoidance Actions) (collectively, the “**Purchaser Released Claims**”); and, should any Purchaser Released Claims nonetheless exist, Purchaser hereby (i) releases and discharges each member of Seller Group from any liability whatsoever on such Purchaser Released Claims that directly or indirectly arises out of, is based upon, or is in any manner connected with a Prior Event, and (ii) releases, remises, waives and discharges all such Purchaser Released Claims against Seller Group. For purposes of this Section 12.16(b), “**Seller Group**” means (1) each Seller and its directors, managers, officers, control persons (as defined in Section 15 of the Securities Act of 1933 (as amended) or Section 20 of the Securities Exchange Act of 1934 (as amended)), members, employees, agents, attorneys, financial advisors, consultants, legal representatives, shareholders, partners, estates, successors and assigns solely in their capacity as such (2) the lenders or agents under any Indebtedness of Seller and (3) any of their respective agents, attorneys, financial advisors, legal advisors, affiliates, directors, managers, officers, control persons, shareholders, members or employees, in each case, solely in their capacity as such.

(c) Effective upon the Closing Date, subject to Section 12.16(e), Sellers acknowledge that they have no Claim, counterclaim, setoff, recoupment, Action or cause of action of any kind or nature whatsoever against any of the individuals or entities within Purchaser Group, that directly or indirectly arises out of, is based upon, or is in any manner connected with any Prior Event (including, for the avoidance of doubt, any Avoidance Actions) (collectively, the “**Seller Released Claims**”); and, should any Seller Released Claims nonetheless exist, Sellers hereby (i) release and discharge each member of Purchaser Group from any liability whatsoever on such Seller Released Claims that directly or indirectly arises out of, is based upon, or is in any manner connected with a Prior Event, and (ii) release, remise, waive and discharge all such Seller Released Claims against Purchaser Group. For purposes of this Section 12.16(c), “**Purchaser Group**” means (1) Purchaser, its subsidiaries and it and each of their respective directors, managers, officers, control persons (as defined in Section 15 of the Securities Act of 1933 (as amended) or Section 20 of the Securities Exchange Act of 1934 (as amended)), members, employees, agents, attorneys, financial advisors, consultants, legal representatives, shareholders, partners, estates, successors and assigns solely in their capacity as such, (2) the lenders or agents under any Indebtedness of Purchaser and (3) any of their respective agents, attorneys, financial advisors, legal advisors, affiliates, directors, managers, officers, control persons, shareholders, members or employees, in each case, solely in their capacity as such.

(d) Without limiting in any way the scope of the release contained in subparagraph (a), (b) or (c) of this Section 12.16 and effective upon the Closing Date, each

of Purchaser and each of Sellers, to the fullest extent allowed under applicable Law, hereby waives and relinquishes all statutory and common law protections purporting to limit the scope or effect of a general release, whether due to lack of knowledge of any Claim or otherwise, including, waiving and relinquishing the terms of any Law which provides that a release may not apply to material unknown Claims. Each of Sellers and Purchaser hereby further affirms its intent to waive and relinquish such unknown Claims and to waive and relinquish any statutory or common law protection available in any applicable jurisdiction with respect thereto including California Civil Code § 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

(e) Notwithstanding anything set forth herein to the contrary, the releases set forth in this Section 12.16 do not extend to (i) any obligations that are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the willful misconduct, Fraud or gross negligence of such Person, or (ii) any obligations of the parties under this Agreement or the Related Agreements.

Section 12.17 Fiduciary Obligations. Nothing in this Agreement, or any document related to the transactions contemplated hereby, will require any Seller or any of their respective managers, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or applicable Law. For the avoidance of doubt, Sellers retain the right to pursue any transaction or restructuring strategy that, in Sellers' business judgment, will maximize the value of their estates.

(f) Prior to the Closing, Sellers shall not terminate, amend, supplement, modify, waive any rights under, or create any adverse interest with respect to any Contract or Real Property Lease to be assumed and assigned to Purchaser, without the prior written consent of Purchaser (which consent shall not be unreasonably withheld, conditioned or delayed) or unless Purchaser has provided written notice to Sellers designating such Contract or Real Property Lease for rejection pursuant to this Section 2.5.

Notwithstanding the foregoing, and for the avoidance of doubt, any designation pursuant to Section 2.7(a) shall not relieve Purchaser of any of its obligations under this Agreement (or otherwise) and Purchaser shall remain jointly and severally liable therefor.

Section 2.8 Equity Transfer. Notwithstanding anything to the contrary in this Agreement, Purchaser and Sellers may mutually agree, with respect to any Seller, that Purchaser (or its Designated Purchaser(s)) shall acquire all of the issued and outstanding equity interests in such Seller (an “**Equity Transfer**”) in lieu of the direct acquisition of the Acquired Assets and assumption of the Assumed Liabilities of such Seller; provided, that in connection with any such Equity Transfer, Purchaser and Sellers shall cause any asset or Liability of such Seller that would otherwise constitute an Excluded Asset or Excluded Liability to be transferred or assumed by another Seller or Affiliate thereof in a manner acceptable to the parties. Upon the parties’ mutual agreement to effect an Equity Transfer with respect to any Seller, the parties shall cooperate in good faith to prepare, execute and deliver such additional documentation and/or any amendment to this Agreement as may be necessary or appropriate to effectuate the Equity Transfer, including any stock purchase agreements, assignments or other instruments and upon finalization of such documents, the transactions contemplated by this Agreement with respect to such Seller shall be deemed to refer to the acquisition of the equity interests of such Seller. (a) The Purchase Price, the Assumed Liabilities and any other items required to be treated as consideration for U.S. federal income Tax purposes will be allocated among the Acquired Assets for all Tax purposes in accordance with section 1060 of the Code and the Treasury Regulations promulgated thereunder. Within one hundred twenty (120) days after the Closing Date, Purchaser shall provide to Sellers a draft allocation for Sellers' review and comment. If Sellers do not provide Purchaser with any written objections to the draft allocation within five (5) days after receipt, the draft allocation shall be deemed to be agreed upon by the parties. If Sellers propose changes to the draft allocation within such five (5)-day period, Sellers and Purchaser shall negotiate in good faith to amend any aspects of the allocation in dispute; provided, however, that if Sellers and Purchaser are unable to resolve any dispute with respect to the allocation within five (5) days after the date Purchaser received notice of Sellers' objection(s), each party shall be permitted to take its own position solely with respect to any items on which Sellers and Purchaser are unable to agree. If the IRS or any other Tax authority proposes a different allocation, Seller or Purchaser, as the case may be, shall promptly notify the other party of such proposed allocation. Notwithstanding any other provision of this Agreement, the terms and provisions of this Section 3.3 shall survive the Closing without limitation.

(b) The parties agree that the purchase and sale of the Acquired Assets pursuant to this Agreement shall be treated for U.S. federal, state and local income tax purposes as the purchase and sale of the Acquired Assets in a taxable transaction governed by Section 1001 of the Code. Purchaser and Sellers shall report, and cause their respective Affiliates to report, the transactions contemplated by this Agreement consistently with such treatment.

(ii) All material Taxes with respect to the Acquired Assets that are due and payable have been duly and timely paid to the extent that failure to pay such Taxes would reasonably be expected to give rise to a material Lien on any Acquired Asset following the Closing.

As of their respective effective dates (in the case of Company SEC Documents that are registration statements filed pursuant to the requirements of the Securities Act) and as of their respective SEC filing dates (in the case of all other Company SEC Documents), the Company SEC

Documents complied as to form in all material respects with the requirements of the Securities Act or the Exchange Act, as the case may be, applicable to such Company SEC Documents and did not contain any untrue statement of a material fact, or omit a material fact required to be stated therein or necessary in order to make the statements therein, other than with respect to registration statements, in light of the circumstances under which they were made, not misleading.

(b) Tax Status. Purchaser is not, and does not have Knowledge of any facts or circumstances reasonably expected to cause Purchaser to become, a Private Foundation with respect to which the Company would be a Disqualified Person.

(c) Authority and Approval. Purchaser has the power to enter into this Agreement and each of the Related Agreements to which it is or will be a party and to perform its obligations hereunder and thereunder. The execution, delivery and performance by Purchaser of this Agreement and the Related Agreements to which it is or will be a party, and the consummation by Purchaser of the transactions contemplated herein and therein, have been duly authorized by all required corporate action on the part of Purchaser. This Agreement has been duly executed and delivered by Purchaser and, when executed and delivered by Purchaser, the Related Agreements to which Purchaser is to be a party will have been duly executed and delivered by Purchaser. enforceable against Purchaser in accordance with their respective terms, except as may be limited by the Bankruptcy Cases.

(d) No Conflict. The execution and delivery by Purchaser of this Agreement and each of the Related Agreements to which it is or will be a party, and Purchaser's compliance with the terms and conditions hereof and thereof, and the consummation by Purchaser of the transactions contemplated hereby and thereby, do not and will not (i) conflict with any of, or require any consent of any Person that has not been obtained under, Purchaser's Organizational Documents, (ii) subject to entry of the Sale Order and the matters as set forth on Section 5.1(d) of the Seller Disclosure Schedules, and excluding any Antitrust Laws, violate or breach in any material respect any provision of, or require any consent, authorization, or approval under, any Law or any Order applicable to Purchaser, (iii) result in a violation or breach of any provision of any Law or Order applicable to Purchaser, (iv) violate, conflict with, result in a breach of, constitute a default under (whether with or without notice or the lapse of time or both), accelerate or permit the acceleration of the performance required by, or require any consent, authorization, or approval under, any material Contract to which Purchaser is a party or by which it is bound or to which any of its assets or property is subject or (v) result in the creation of any Lien upon the assets or property of Purchaser, except in each case as would not reasonably be expected to have a material adverse effect on Purchaser or materially adversely affect the validity or enforceability of this Agreement against Purchaser or materially adversely affect the ability of Purchaser to consummate the transactions contemplated by this Agreement.

(e) Governmental Approvals and Filing. Except (i) as set forth in Section 5.1(d) of the Seller Disclosure Schedules, (ii) with respect to any Antitrust Law, and (iii) as set forth in the Sale Order, no consent, authorization, approval or action of, filing with, notice to, or exemption from any Governmental or Regulatory Authority on the part of Purchaser is required in connection with the execution, delivery and performance of this Agreement or any Related Agreements to which Purchaser is to be a party or the consummation of the transactions contemplated hereby or thereby, except where the failure to obtain any such consent, approval or action, to make any such filing, to give any such notice or obtain any such exemption would not be reasonably expected to (i) have a material adverse effect on Purchaser or (ii) materially adversely affect the validity or enforceability against Purchaser of this Agreement or such Related Agreements or materially adversely affect the ability of Purchaser to consummate the transactions contemplated by this Agreement.

(f) Legal Proceedings.

(i) Purchaser has received no written notice that there are any lawsuits or arbitrations pending or threatened against Purchaser as would reasonably be expected (x) to have a material adverse effect on Purchaser, (y) to materially adversely affect the validity or enforceability of this Agreement or any of the Related Agreements against Purchaser or materially adversely affect the ability of Purchaser to consummate the transactions contemplated by this Agreement, or (z) result in the issuance of an Order restraining, enjoining or otherwise prohibiting or making

illegal the consummation of the transactions contemplated by this Agreement;

(ii) Purchaser has received no written notice that there are any Orders outstanding against Purchaser that would be reasonably expected to have a material adverse effect on Purchaser or materially adversely affect the ability of Purchaser to consummate the transactions contemplated by this Agreement; and

(iii) during the one (1) year period preceding the date of this Agreement, Purchaser has not received any written Claim from a Governmental or Regulatory Authority alleging material noncompliance under any Privacy Law.

(g) Brokers. No broker, finder or investment banker is entitled to any brokerage commission, finder's fee or similar payment in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of Purchaser, except for TD Securities (USA) LLC.

(h) Financial Resources. Purchaser has delivered to Sellers a true and correct copy of a fully executed grant commitment letter (the "**Grant Commitment Letter**") from The Anne Wojcicki Foundation (the "**Grantor**"), pursuant to which the Grantor has agreed, subject to the terms and conditions thereof, to provide an irrevocable and unconditional grant of funds to the Purchaser in an aggregate amount that is sufficient to satisfy all of Purchaser's obligations under this Agreement and so that the Purchaser will have, at Closing, the Closing funds sufficient to pay in full the Purchase Price, the Cure Amounts (subject to the Cure Amounts Cap) and the fees and expenses related to the transactions contemplated by this Agreement or, if applicable, upon termination, any damages due and payable hereunder, in each case, in cash (the "**Grant**"). Purchaser knows of no circumstance or condition that could be reasonably expected to prevent the availability of the Grant or at Closing of such funds. Purchaser acknowledges and agrees that notwithstanding anything to the contrary contained herein, its obligation to consummate the transactions contemplated hereby is not subject to Purchaser or any of its Affiliates (including the Grantor) obtaining any financing. As of the date hereof, (i) the Grant Commitment Letter and the terms of the financing required to satisfy Purchaser's obligations under this Agreement have not been amended or modified; (ii) no such amendment or modification is contemplated; (iii) the Grant Commitment Letter is in full force and effect, has not been withdrawn or terminated and constitutes the legal, valid and binding obligations of Purchaser and the Grantor, as applicable, enforceable against Purchaser and the Grantor, as applicable, in accordance with its terms; (iv) there are no other agreements, side letters, understandings or arrangements relating to the Grant Commitment Letter; and (v) Purchaser is not aware of any misrepresentation in the Grant Commitment Letter. As of the date hereof, no event has occurred which, with or without notice, lapse of time or both, would constitute a default or breach on the part of any party to the Grant Commitment Letter. There are no conditions precedent or other contingencies related to the funding of the full amount of the Grant, other than as expressly set forth in the Grant Commitment Letter. Purchaser is not aware of any fact or occurrence that, with or without notice, lapse of time or both, could reasonably be expected to (A) make any of

the assumptions or any of the statements set forth in the Grant Commitment Letter inaccurate, (B) result in any of the terms or conditions in the Grant Commitment Letter not being satisfied, (C) cause the Grant Commitment Letter to be ineffective or (D) otherwise result in the Grant not being available on a timely basis or at all in order to consummate the transactions contemplated by this Agreement.

(i) Sophistication. Purchaser is as of the Execution Date, and will be as of the Closing Date, an “accredited investor” within the meaning of Rule 501(a) under the Securities Act of 1933 (as amended). Purchaser understands and is able to bear any economic risks associated with the transactions contemplated by this Agreement, including the total loss of the investment.

(j) Investment Entirely for Own Account. Purchaser is acquiring the Acquired Assets for investment for Purchaser’s own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. Purchaser does not presently have any Contract with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Acquired Assets or any debt or equity security or interest in any Seller.

(k) No Conflicting Contracts. Neither Purchaser nor any of its Affiliates is a party to any Contract involving the operation, management or ownership of a business similar to any portion of the Business that would reasonably be expected to cause a delay in any Governmental or Regulatory Authority’s granting of any required or necessary approval or authorization in connection with the transactions contemplated hereby, and neither Purchaser nor any of its Affiliates has any plans, or has engaged in any discussions, to enter into any such Contract prior to the Closing.

(l) Opportunity for Independent Investigation; No Other Representations. Prior to its execution of this Agreement, Purchaser has conducted to its satisfaction an independent investigation and verification of the current condition and affairs of the Business and the Acquired Assets, including the condition, the cash flow and the prospects of the Acquired Assets and Assumed Liabilities. In making its decision to execute this Agreement and to purchase the Acquired Assets and assume the Assumed Liabilities, Purchaser has relied and will rely solely upon the results of such independent investigation and verification and the terms and conditions of this Agreement. Purchaser acknowledges and agrees that except as expressly set forth in Section 5.1, neither Sellers nor any Affiliate thereof (nor any other Person on their behalf) makes any representation or warranty, express or implied, written or oral, as to the Business, the Acquired Assets or the Assumed Liabilities or any other matter. Except as set forth in Section 5.1, and subject to the terms of this Agreement, Purchaser acknowledges that the Acquired Assets are being transferred on an “AS IS, WHERE IS” basis.

(m) Disclaimer Regarding Projections. Purchaser may be in possession of certain projections and other forecasts regarding the Business, Acquired Assets and the Assumed Liabilities and any expansions or other development opportunities relating thereto or otherwise, including projected financial statements, cash flow items and other data, and certain business plan information of the Business, Acquired Assets and the

Assumed Liabilities and any expansions or other development opportunities relating thereto or otherwise. Purchaser acknowledges that there are substantial uncertainties inherent in attempting to make such projections and other forecasts and plans, and that Purchaser is familiar with such uncertainties. Accordingly, Purchaser acknowledges that neither Sellers nor any of their Affiliates, Representatives, agents or advisors (nor any other Person on their behalf) has made any representation or warranty, express or implied, written or oral, with respect to such projections and other forecasts and plans.

(n) CFIUS Foreign Person. Purchaser is not a foreign person, as defined in 31 C.F.R. § 800.224. Consummation of the transactions contemplated by this Agreement will not result in foreign control (as defined in 31 C.F.R. § 800.208) of the Acquired Assets and does not constitute direct or indirect investment in the Acquired Assets by any foreign person that affords such foreign person with any of the access, rights, or involvement contemplated under 31. C.F.R. § 800.211(b).

(o) Warranties Exclusive. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 5.2, NEITHER PURCHASER NOR ANY OTHER PERSON MAKES ANY REPRESENTATION OR WARRANTY, STATUTORY, EXPRESS OR IMPLIED, WRITTEN OR ORAL, AT LAW OR IN EQUITY, ON BEHALF OF PURCHASER, AND ANY SUCH OTHER REPRESENTATIONS OR WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED AND NONE SHALL BE IMPLIED AT LAW OR IN EQUITY.

ARTICLE VI

Regulatory Matters

Purchaser hereby covenants and agrees with Sellers, and Sellers hereby covenant and agree with Purchaser, in each case, as follows:

Section 6.1 Regulatory Filings. Subject to the terms and conditions of this Agreement, each party shall use reasonable best efforts to (a) take, or cause to be taken, all actions and to do, or cause to be done, all things necessary under applicable Laws to consummate the transactions contemplated by this Agreement, (b) if required, file such applications and documents as may be required with any Governmental or Regulatory Authority, if any, with consent or approval rights as to or over the transfer of the Acquired Assets to Purchaser, (c) if required, file a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated hereby within fifteen (15) Business Days after Purchaser is selected as the Successful Bidder, if applicable, pursuant to the Bidding Procedures Order, (d) supply as promptly as practicable any additional information and documentary material that may be requested or required by any Governmental or Regulatory Authority having rights of consent or approval over or regarding the transfer of the Acquired Assets to Purchaser, including, pursuant to any Antitrust Law, including the HSR Act if applicable, and (e) if applicable, cause the expiration or termination of the applicable waiting periods under the HSR Act, any other Antitrust Law or any other state, federal or local law, regulation or designation as soon as practicable. In furtherance of and without limiting the generality of the foregoing, the parties hereto will use their respective reasonable best efforts to (i) prepare and submit, as soon as is practicable following the execution of this Agreement, all necessary filings in connection with the transactions contemplated by this

Agreement that may be required to be filed by such party with any other relevant Governmental or Regulatory Authority, (ii) ensure that all such filings are in material compliance with the requirements of applicable regulatory Laws, (iii) make available to the other parties such information as the other parties may reasonably request in order to complete the filings or to respond to information requests by any relevant Governmental or Regulatory Authority, (iv) take all actions necessary to cause all conditions set forth in Article IX to be satisfied as soon as practicable, and (v) execute and deliver any additional instruments reasonably requested and necessary to fully carry out the purposes of this Agreement. Except as set forth in Section 12.13, each party hereto shall bear its own fees, costs and all other expenses associated with any filings or consents with or from any third party in connection with or otherwise related to the transactions contemplated hereby.

Section 6.2 Cooperation: Confidentiality. In connection with the reasonable best efforts referenced in Section 6.1 to obtain or submit all requisite approvals, authorizations, notifications and other filings or submissions for the transactions contemplated by this Agreement, including, if applicable, under the HSR Act, any other Antitrust Law, or any state or local law or regulation, or of any other relevant Governmental or Regulatory Authority, each party hereto shall use reasonable best efforts to (a) cooperate with the other parties in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party, (b) keep the other parties informed in all material respects of any material communication received by such party from, or given by such party to, any Governmental or Regulatory Authority and of any material communication received or given in connection with any proceeding by a private party, in each case, regarding any of the transactions contemplated hereby, and (c) permit the other parties to review any material communication given to it by, and, to the extent reasonably practicable, consult with the other parties in advance of any meeting or conference with, any Governmental or Regulatory Authority, including in connection with any proceeding by a private party. The foregoing obligations in this Section 6.2 shall be subject to the Confidentiality Agreement and any attorney-client, work product or other privilege, and each party hereto shall coordinate and cooperate fully with the other parties hereto in exchanging such information and providing such assistance as such other parties may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods under Antitrust Law. No party hereto will take any action with the intent of delaying, impairing or impeding the receipt of any required authorizations, consents, Orders or approvals.

Section 6.3 Objections or Other Challenges. If any suit is instituted by any Governmental or Regulatory Authority or any private party challenging any of the transactions contemplated hereby as violating any Law, each party hereto shall use reasonable best efforts to resolve such objections or challenge such Governmental or Regulatory Authority or private party may have to such transactions, including to vacate, lift, reverse or overturn any Order, whether temporary, preliminary or permanent, so as to permit consummation of the transactions contemplated by this Agreement. In furtherance of the foregoing, Purchaser shall undertake promptly any and all actions required to complete lawfully the transactions contemplated by this Agreement prior to the Outside Closing Date, including by (i) responding to and complying with, as promptly as reasonably practicable, any request for information or documentary material regarding the transactions from any relevant Governmental or Regulatory Authority, and (ii) making any necessary post-Closing filings or proffering and consenting to a governmental

order providing for the sale or other disposition, or the holding separate, of particular Acquired Assets, categories of Acquired Assets or lines of business, of either Acquired Assets or lines of business of the Business or of any other assets or lines of business of Purchaser or any of its Affiliates in order to mitigate or otherwise remedy any requirements of, or concerns of, any Governmental or Regulatory Authority, or proffering and consenting to any other restriction, prohibition or limitation on any of its assets, the Business, Purchaser or any of Purchaser's Affiliates, in order to mitigate or remedy such requirements or concerns, in each case conditioned on consummation of the transactions contemplated hereby; provided that Purchaser shall not be required to take or propose to undertake any sale or other disposition, hold separate order or any other structural or conduct relief, or other operational undertaking, if the taking of such actions would reasonably be expected to, individually and in the aggregate, materially and adversely affect the overall benefits expected to be realized by Purchaser from the consummation of the transactions contemplated by this Agreement. The entry by any Governmental or Regulatory Authority in any legal proceeding of an Order permitting the consummation of the transactions contemplated hereby but which is subject to certain conditions or requires Purchaser or any of its Affiliates to take any action, including any restructuring of the Acquired Assets, the Business or lines of business of Purchaser or any of its Affiliates or any changes to the existing business of Purchaser or any of its Affiliates, shall not be deemed a failure to satisfy the conditions specified in Article IX. Purchaser further agrees that neither it nor any of its Affiliates shall, prior to Closing, acquire, market, operate or control, nor enter into any other Contract to acquire, market, operate or control any business similar to any portion of the Business if the proposed acquisition or ability to market, operate or control such business could reasonably be expected to increase the market power attributable to Purchaser and/or its Affiliates in such market in a manner materially adverse to approval of the transactions contemplated by this Agreement or that would reasonably be expected to prevent or otherwise materially interfere with, or materially delay the consummation of the transactions contemplated by, this Agreement.

ARTICLE VII

(b) not sell, assign, transfer, convey, license or dispose of (including by waiver or release) any Acquired Assets (other than Intellectual Property), other than in the Ordinary Course of Business;

(c) not abandon, cancel, permit to lapse or otherwise dispose of, forfeit any rights in, or license or otherwise grant any rights in, any material Acquired Intellectual Property, except for non-exclusive licenses granted in the Ordinary Course of Business in which the license of Intellectual Property rights is incidental and not material to the performance of such Contract and expirations of Registered Acquired Intellectual Property at the end of its statutory term;

(d) not cancel, terminate, fail to renew or materially amend, modify or change, in any material respect, any material Transferred Permit;

(e) not amend, supplement or modify in any material respect, terminate (other than with cause or due to expiration or termination by the counterparty) or waive any material term under, exercise any material option under or give any material consent with respect to any Transferred Contract, in each case, other than in the Ordinary Course of Business;

(f) not institute, settle or consent to any Action or other proceeding (whether at law or in equity) or Order that (i) relates to the 2023 Security Incident, and (ii) would (x) become an Assumed Liability or (y) have a material adverse effect on use or the value of the Acquired Assets;

(g) not (A) increase the base salary, base wage rate or cash incentive opportunities of any of the Business Employees or independent contractors or consultants of the Business, (B) amend or terminate any Benefit Plan, (C) amend, establish or adopt any other Benefit Plan in respect of any Business Employee or independent contractor or consultant of the Business, (D) modify, renew, extend or enter into any collective bargaining agreement or other Contract, agreement or understanding with any labor Union or similar representative of any of the Business Employees, (E) promote, hire or fire any Business Employee or independent contractor or consultant whose annual base compensation is in excess of \$250,000, (F) take any action to accelerate the time of payment or vesting of any compensation or benefit, (G) implement or announce any office or plant closing, mass layoff, temporary layoff, furlough, reduction in force, salary or wage reduction, material work schedule change or other similar action that could implicate the WARN Act, or (H) release, amend, modify or knowingly waive or fail to enforce the restrictive covenant obligations of any Business Employee;

(h) not take any of the actions described in Section 5.1(u)(ii) through 5.1(u)(v);

(i) with respect to any Acquired Asset, (i) not agree to allow any form of relief from the automatic stay in the Bankruptcy Cases (other than pursuant to the Sale Order), or (ii) oppose any action by a third party to obtain relief from the automatic stay in the

Bankruptcy Cases, unless such relief would have a de minimis impact on the transactions contemplated by this Agreement;

(j) not pursue or seek, and oppose (i) any third party pursuing or seeking a conversion of the Bankruptcy Cases to cases under chapter 7 of the Bankruptcy Code, or (ii) the appointment of a trustee under chapter 11 or chapter 7 of the Bankruptcy Code and/or the appointment of an examiner with expanded powers;

(k) maintain insurance coverage substantially similar in all material respects to the insurance coverage maintained by Sellers prior to the Petition Date;

(l) provide Purchaser with two (2) Business Days' notice (to the extent reasonably practicable) of any amendment to the terms of the DIP Credit Agreement and not amend the terms of the DIP Credit Agreement in a manner that materially and adversely affects the Acquired Assets, the Business, or the parties' ability to consummate the Sale;

(m) not amend, modify or change Seller's privacy policies, statements or consent documents; and

(n) not agree in writing to take any of the actions described above in clauses (b) through (m) of this Section 7.1.

Section 7.2 Efforts to Satisfy Closing Conditions. Each party to this Agreement will use their reasonable best efforts to take, or cause to be taken, all actions necessary, proper or advisable to (a) satisfy all of the conditions set forth in Article IX and cause the transactions contemplated herein to be effected as soon as practicable, (b) comply promptly with all legal requirements that may be imposed on such party with respect to the transactions contemplated by this Agreement and, subject to the conditions set forth in Article IX, to consummate the transactions contemplated by this Agreement, and (c) make any required filing with or notification to, and obtain (and to cooperate with the other party to obtain) any consent, authorization, order or approval of, or any exemption by, any Governmental or Regulatory Authority and any other third party that is required to be made or obtained by it in connection with the transactions contemplated by this Agreement.

Section 7.3 Assets or Liabilities Incapable of Transfer. To the extent that any Acquired Asset or Assumed Liability is not assignable or transferable without the consent of another Person (including if transfer is not permitted under applicable Law and/or by any applicable Governmental or Regulatory Authority, which are otherwise governed by Sections 6.1 and 6.3) and such consent requirement is not made unenforceable by the Bankruptcy Code, this Agreement will not constitute an assignment or transfer thereof, an attempted assignment or transfer thereof, or an agreement to effect such an assignment or transfer, if such assignment or transfer, attempted assignment or transfer, or agreement would constitute a breach thereof. The Sellers, upon the reasonable request of Purchaser, will use Reasonable Efforts to obtain the consent of such other Person to the assignment or transfer of any such Acquired Asset and/or Assumed Liability to Purchaser in all cases in which (a) such consent is or may be required for such assignment or transfer, and (b) such consent requirement is not made unenforceable by the Bankruptcy Code. Purchaser will cooperate with Sellers in their efforts to obtain such consents. Notwithstanding

the foregoing, but subject to the terms of this Agreement: (i) following the Closing Date, Sellers shall promptly pay to Purchaser when received all monies received by the applicable Sellers under such Acquired Asset or any Claim or right or any benefit arising thereunder and Purchaser shall reimburse Sellers for all reasonable, documented out-of-pocket costs of and expenses incurred by Sellers in connection with such arrangement and promptly reimburse Sellers for costs or expenses incurred in connection with, and satisfy all obligations relating to, any Assumed Liability; provided, that Reasonable Efforts by Sellers will in no event require the payment of any money or other consideration, or permit, or without the prior written consent of Purchaser, the amendment or modification of any material term or provision of any Transferred Contract or Transferred Permit, but Reasonable Efforts shall include appropriate filings by Sellers in the Bankruptcy Court seeking a determination that the Bankruptcy Code renders unenforceable the consent requirement in question; (ii) failure to obtain any such consent will not in and of itself give rise to Purchaser's ability not to consummate the transactions contemplated by this Agreement or any breach by Sellers of this Agreement; and (iii) the beneficial interest in and to the Acquired Assets and Assumed Liabilities, as applicable, to the fullest extent permitted by the relevant Acquired Assets and Assumed Liabilities and applicable Law, will pass to Purchaser for all purposes, including Tax purposes, at the Closing.

Section 7.4 Receipt of Misdirected Assets; Liabilities.

(a) From and after the Closing, if any Seller or any of its respective Subsidiaries receives any right, property or asset that is an Acquired Asset, the applicable Seller shall promptly transfer or cause such Subsidiary to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser, and such asset will be deemed the property of Purchaser held in trust by such Seller for Purchaser until so transferred. From and after the Closing, if Purchaser or any of its Affiliates receives any right, property or asset that is an Excluded Asset, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property or asset that is received in the form of cash, checks, or other documents) to the applicable Seller, and such asset will be deemed the property of such Seller held in trust by Purchaser for such Seller until so transferred.

(b) From and after the Closing, if any Seller or any of its Subsidiaries is subject to a Liability that should belong to Purchaser or its Affiliates pursuant to the terms of this Agreement, such Seller shall promptly transfer or cause such Subsidiary to transfer such Liability to Purchaser, and Purchaser shall assume and accept such Liability. From and after the Closing, if Purchaser or any of its Affiliates is subject to a Liability that should belong to a Seller or its Affiliates pursuant to the terms of this Agreement, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such Liability to the applicable Seller or its Affiliates, and such Seller or its Affiliates shall assume and accept such Liability.

Section 7.5 Insurance Matters. Purchaser acknowledges that, subject to the next sentence, upon Closing, all nontransferable insurance coverage provided in relation to any Seller and the Acquired Assets that is maintained by such Seller or its Subsidiaries (whether such policies are maintained with third-party insurers or with Seller or its Subsidiaries) shall cease to provide any coverage with respect to the Acquired Assets and no further coverage shall be

available to Purchaser or with respect to the Acquired Assets under any such policies. From and after the Closing, Purchaser shall have the right to make Claims and the right to any proceeds with respect to any matter solely to the extent related to the Acquired Assets or Assumed Liabilities under any insurance policies for occurrence-based claims inuring to the benefit of Sellers or any of their Subsidiaries for periods prior to the Closing, and Sellers shall use Reasonable Efforts to seek recovery or allow Purchaser to seek recovery (at Purchaser's sole cost and expense) under such insurance policies, and Seller shall cooperate with Purchaser's reasonable requests if it seeks recovery, with respect to such matters and shall remit (or, at Purchaser's request, direct any such insurer to pay directly to Purchaser) any insurance proceeds actually obtained therefrom (net of Sellers' out-of-pocket costs and expenses incurred in connection with seeking such recovery, to the extent not otherwise paid or reimbursed by Purchaser) to Purchaser or its designee.

Section 7.6 Discovery of Breach. Sellers shall promptly notify Purchaser if, prior to the Closing, Sellers conclude or discover that (a) any of Sellers' representations and warranties contained in this Agreement is not accurate in any material respect such that the conditions set forth in Article IX are incapable of being satisfied, or (b) any other conditions to Purchaser's obligations to consummate the transactions contemplated by this Agreement would reasonably be expected to be incapable of being satisfied, which notice will summarize the reason for such conclusion, and Sellers shall furnish Purchaser any information it may reasonably request with respect thereto. Purchaser shall immediately notify Sellers if, prior to the Closing, Purchaser concludes or discovers that (i) any of Purchaser's representations and warranties contained in this Agreement is not accurate in any material respect such that the conditions set forth in Article IX are incapable of being satisfied or (ii) any other conditions to Sellers' obligations to consummate the transactions contemplated by this Agreement would reasonably be expected to be incapable of being satisfied, which notice will summarize the reason for such conclusion, and Purchaser shall furnish Sellers any information they may reasonably request with respect thereto. From the date hereof until Closing (or the earlier termination of this Agreement pursuant to Article X), each party shall promptly notify the other party in writing of: (A) any material written notice or other material written communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement and (B) any fact, circumstance, event or action the existence, occurrence or taking of which has had, or could reasonably be expected to have, individually or in the aggregate, in the case of Sellers, a Business Material Adverse Effect, or in the case of Purchaser, a material adverse effect on Purchaser or its ability to consummate the transactions contemplated hereby.

Section 7.7 Ability to Supplement Disclosure Schedules. Sellers may, prior to Closing, from time to time, but in no event after the date which is five (5) Business Days prior to the Closing, supplement or amend Seller Disclosure Schedules with respect to any event, circumstance or matter, that is required to be set forth or described in such Seller Disclosure Schedules (a "**Disclosure Update**") to make such Seller Disclosure Schedules true and correct as of the Closing Date. Any such Disclosure Update will not (i) cure any breach or inaccuracy of any representation or warranty made in this Agreement for any purpose, (ii) serve to amend, modify or supplement the Seller Disclosure Schedules for purposes of Article IX or Article X, (iii) be deemed to satisfy any condition to Closing set forth in this Agreement, or (iv) diminish the rights or remedies of Purchaser with respect thereto, nor shall any such notification affect any conditions to the obligations of the parties hereunder.

Section 7.8 Restricted Use of Confidential Information. Purchaser acknowledges and agrees that all information furnished to it in connection with this Agreement, the Related Agreements or the transactions contemplated hereby or thereby (i) is subject to the Confidentiality Agreement, the terms of which are incorporated herein by reference, and (ii) subject to Section 1 of the Confidentiality Agreement, constitutes Confidential Information. Notwithstanding anything to the contrary contained in the Confidentiality Agreement (including any expiration or termination thereof in accordance with its terms), the parties hereto agree that (A) during the period from the Execution Date to the Closing Date, Purchaser shall hold all Confidential Information in accordance with the obligations set forth in the Confidentiality Agreement (as if Purchaser were the party receiving such Confidential Information, the “**Receiving Party**,” thereunder) and (B) from and after the Closing Date, for a period of five (5) years, (x) Purchaser shall hold all Confidential Information, to the extent relating to any Excluded Assets, Excluded Liabilities or Business Employees (other than Transferred Employees), in accordance with the confidentiality and non-use obligations set forth in the Confidentiality Agreement (as if Purchaser were the Receiving Party thereunder) and (y) Sellers shall hold all Confidential Information, to the extent relating to any Acquired Assets, Assumed Liabilities or Transferred Employees, in accordance with the confidentiality and non-use obligations set forth in the Confidentiality Agreement (as if Sellers were the Receiving Party thereunder). If this Agreement is terminated for any reason prior to the Closing, the Confidentiality Agreement shall continue in full force and effect in accordance with its terms. The parties will take all actions reasonably necessary as requested to terminate at the Effective Time all obligations under the Confidentiality Agreement related to non-use, non-disclosure and destruction of Confidential Information (as defined in the Confidentiality Agreement) related to the Acquired Assets and the Assumed Liabilities.

Section 7.9 Review and Inspections. Subject to Section 4.3(b), during the period from the Execution Date to the Closing Date, upon reasonable advance written notice, Sellers will provide Purchaser and its Representatives and designees with reasonable access to Sellers’ books, records, systems, system master data and transactional data and facilities and reasonably make appropriate accountants, attorneys, advisors and Business Employees available during normal business hours in order to permit Purchaser to complete its review of Sellers and for purposes of facilitating the transfer to Purchaser of the Acquired Assets and Assumed Liabilities, and will reasonably promptly comply with any reasonable requests relating thereto made by or on behalf of Purchaser. The parties will use Reasonable Efforts to share information protected from disclosure under the attorney-client privilege, work product doctrine, joint defense privilege or any other privilege pursuant to this Section 7.9 in a manner so as to preserve the applicable privilege. Any party may share information with any other party on an “outside counsel only” basis. Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall obligate the parties to share any information covered by the attorney client privilege, work product doctrine or other similar privilege. Sellers acknowledge that Purchaser’s review includes an assessment of and preparation for the efficient and orderly transition of the Business to Purchaser, at and after and subject to the Closing, and Sellers shall instruct the Business Employees to cooperate and facilitate such transition. Notwithstanding any of the foregoing provisions of this Section 7.9, Purchaser shall not have the right to conduct invasive environmental investigation of any kind on the Acquired Assets, or conduct any structural evaluation or invasive environmental investigation of any kind, including in the form of soil and groundwater sampling, nor be entitled to any environmental reports or any information related to Excluded Assets.

Section 7.10 Transfer of Acquired Intellectual Property and Transferred Permits.

(a) Without limiting any other provision of this Agreement, on and after the Closing Date, Sellers shall reasonably cooperate with Purchaser at Purchaser's cost, to (i) execute and deliver, or cause to be executed and delivered, all instruments, including any instruments of conveyance, assignment and transfer, and (ii) take, or cause to be taken, all such other actions Purchaser may reasonably request from time to time, in the case of (i) and (ii), to the extent reasonably necessary under applicable Law to effectuate all transfers of Acquired Intellectual Property pursuant to this Agreement and to record such transfers with the relevant Intellectual Property offices and registrars and other relevant Governmental or Regulatory Authorities (the "**IP Transfer Activities**"). If, following the Closing Date, Purchaser (or its designee) is unable for any reason to secure such Seller's signature on any document needed in connection with the IP Transfer Activities, each such Seller hereby irrevocably designates and appoints Purchaser and its duly authorized officers and agents as each such Seller's agent and attorney in fact, which appointment is coupled with an interest, to act for and in each such Seller's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to effectuate the IP Transfer Activities with the same legal force and effect as if executed by each such Seller; provided that Purchaser (or its designee) shall not exercise such power and authority unless (i) Purchaser first requests in writing that such Seller perform the applicable IP Transfer Activity, and (ii) such Seller either (A) fails to acknowledge such request within ten (10) business days after its receipt or (B) fails to perform such applicable IP Transfer Activity within a reasonable period of time. For the avoidance of doubt, in no event shall Purchaser incur any Liability on behalf of any Seller or for which any Seller is otherwise responsible in connection with Purchaser exercising the foregoing granted rights and powers.

(b) Notwithstanding anything to the contrary in this Agreement or any Related Agreement, after the Closing, Purchaser shall, and shall cause any applicable Affiliate of Purchaser to, be responsible for preparing and filing all instruments and documents necessary to effect the assignment of the Acquired Intellectual Property to Purchaser and its Affiliates, and to record such assignment with the relevant Intellectual Property offices and registrars and other relevant Governmental or Regulatory Authorities, including all costs and expenses of preparing and recording country-specific assignments and legalization of signatures (where required).

(c) Without limiting any other provision of this Agreement, prior to, on and after the Closing Date, Sellers shall reasonably cooperate with Purchaser, to (i) execute and deliver, or cause to be executed and delivered, all instruments, including any instruments of conveyance, assignment and transfer as Purchaser may provide to Sellers for execution and delivery, and (ii) take, or cause to be taken, all such actions Purchaser may reasonably request from time to time, to the extent reasonably necessary to effectuate all assignments and transfers of the Transferred Permits pursuant to this Agreement and, to the extent reasonably necessary to seek approval of such assignments and transfers by the relevant Governmental or Regulatory Authorities or record such assignments and transfers with the relevant Governmental or Regulatory Authorities (the "**Permit Transfer Activities**"). Notwithstanding anything to the contrary in this Agreement or

any Related Agreement, after the Closing, Purchaser shall, and shall cause any applicable Affiliate of Purchaser to, be responsible for preparing and filing all instruments and documents needed in connection with the Permit Transfer Activities. If, following the Closing Date, Purchaser (or its designee) is unable for any reason to secure such Seller's signature on any document needed in connection with the Permit Transfer Activities, each such Seller hereby irrevocably designates and appoints Purchaser and its duly authorized officers and agents as each such Seller's agent and attorney in fact, which appointment is coupled with an interest, to act for and in each such Seller's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to effectuate the Permit Transfer Activities with the same legal force and effect as if executed by each such Seller; provided that Purchaser (or its designee) shall not exercise such power and authority unless (i) Purchaser first requests in writing that such Seller perform the applicable Permit Transfer Activity, and (ii) such Seller either (A) fails to acknowledge such request within ten (10) Business Days after its receipt or (B) fails to perform such applicable Permit Transfer Activity within a reasonable period of time. For the avoidance of doubt, in no event shall Purchaser incur any Liability on behalf of any Seller or for which any Seller is otherwise responsible in connection with Purchaser exercising the foregoing granted rights and powers.

Section 7.11 Support Obligations. Purchaser shall use Reasonable Efforts to replace, effective as of Closing, the credit support obligations (including the letters of credit) provided by Sellers with respect to Acquired Assets and listed in Section 5.1(t) of the Seller Disclosure Schedules, as the same may be updated from time to time in the Ordinary Course of Business to include additional credit support provided by Sellers or any of their Affiliates with respect to the obligations referenced thereon in accordance with the terms thereof (collectively, the "**Support Obligations**"). In furtherance of the foregoing, Purchaser shall use Reasonable Efforts to obtain, prior to the Closing, substitute credit support arrangements in replacement for the Support Obligations, which substitute credit support arrangements shall be in form and substance reasonably satisfactory to Sellers. If Purchaser does not replace the Support Obligations prior to the Closing, Purchaser shall cash collateralize or otherwise backstop the Support Obligations.

Section 7.12 Data Privacy. Following the Closing, in connection with any and all processing of Personal Information in the operation of the Business and owned or controlled by, licensed to or otherwise in the possession of any Seller, Purchaser and its Affiliates shall (a) comply with such Seller's privacy policies and statements, consent documents and all Privacy Laws, (b) process all Personal Information in accordance with user consents, privacy policies and statements, terms of service, and notices in effect on the date of this Agreement (collectively "**Current Notices**"), in each case, in compliance with applicable Privacy Laws; (c) employ appropriate security controls and procedures (technical, operational, and managerial) to protect Personal Information that comply with applicable Privacy Laws, and (d) before any use of Personal Information for any purpose not contemplated by the Current Notices (i) inform all data subjects whose Personal Information will be impacted by providing them modified Current Notices that describe the new purpose, (ii) to the extent required under applicable Privacy Laws, obtain each data subject's consent in the form required under applicable Privacy Laws, and (iii) take all other actions required under the Current Notices and applicable law (including all applicable Privacy Laws).

Section 7.13 Successor Liability. Purchaser shall have no liability or responsibility for any Liability or other obligation of Sellers arising under, related to or in connection with the Acquired Assets and the Business other than as expressly set forth in this Agreement. Without limiting the effect of the foregoing, the transfer of the Acquired Assets will not subject Purchaser to any Liability or other obligation in connection with claims against Sellers or the Acquired Assets, including, claims for successor or vicarious liability, by reason of such transfer under the laws of the United States, any state, territory or possession thereof applicable to such transactions. With respect to any Liability or other obligation of Sellers or for payment of any benefit accruing to Sellers, except as expressly set forth in this Agreement, Purchaser shall not be deemed, as a result of the consummation of the transactions contemplated by this Agreement and the Related Agreements, to be a successor of any Seller, have, de facto or otherwise, merged with or into Sellers, be a mere continuation or substantial continuation of Sellers or the enterprise of Sellers.

Section 7.14 Tax Matters.

(a) Tax Returns. Sellers shall timely file all Tax Returns due on or before the Closing Date with respect to all property and ad valorem Taxes with respect to the Acquired Assets and duly and timely pay all such Taxes due on or before the Closing Date.

(b) Straddle Periods. In the case of any Straddle Period, the amount of any Taxes based on or measured by income, receipts, or payroll allocable to taxable periods ending on or prior to the Closing Date shall be determined based on an interim closing of the books as of the close of business on the Closing Date, and the amount of other Taxes (including, but not limited to, real property, personal property, and similar ad valorem Taxes) for a Straddle Period that are allocable to taxable periods ending on or prior to the Closing Date shall be deemed to be the amount of such Tax for the entire taxable period multiplied by a fraction the numerator of which is the number of days in the taxable period ending on the Closing Date and the denominator of which is the number of days in the Straddle Period.

Section 7.15 Intellectual Property Matters. The Sellers shall, as promptly as practicable after the Closing Date (but in no event later than thirty (30) days after the Closing Date unless a later date is otherwise agreed to by the Purchaser), (i) cease using and displaying any and all Trademarks that are included in the Acquired Assets and all Excluded Marks, and (ii) make any required filings to cause the name of each Seller in the caption of the Bankruptcy Cases to be changed to the new name of each Seller that does not use any 23andMe Marks or Excluded Marks (subject to Governmental or Regulatory Authorities' approval and processing). Notwithstanding the foregoing or anything else in this Agreement to the contrary, Sellers shall be entitled to use and refer to the 23andMe Marks in (i) filings with any Governmental or Regulatory Authority, for factual or historical reference and (ii) historical, Tax, and similar records. At any time after the Closing Date, promptly upon the request of Purchaser, Sellers shall file a written statement of abandonment and withdrawal of the Excluded Marks with the United States Patent and Trademark Office.

Section 7.16 UK and Canada Recognition. Up to, on and after Closing, Sellers or their Affiliates shall seek and use Reasonable Efforts to obtain recognition of the Sale Order in the

United Kingdom (at Purchaser's sole cost and expense up to one hundred fifty thousand dollars (\$150,000)) and in Canada in a manner in form and substance reasonably acceptable to Purchaser.

Section 7.17 Financing Cooperation. From the date of this Agreement until the Closing Date or until the earlier termination of this Agreement, Sellers shall use Reasonable Efforts to provide, and shall use Reasonable Efforts to cause their respective Representatives to provide, on a timely basis, such cooperation as is reasonably requested by Purchaser and customary in connection with the arrangement of any financing arrangements, including with respect to the Support Obligations, that Purchaser reasonably determines to be reasonably necessary or advisable in connection with the operation of the Acquired Assets from and after the Closing (and not with respect to any acquisition financing).

Section 7.18 Status of Purchaser. From the date hereof until the Closing Date, the Purchaser shall not take any action that would reasonably be expected to cause Purchaser (including any Designated Purchaser) to become a Private Foundation with respect to which the Company would be a Disqualified Person.

Section 7.19 Alternative Transactions.

(a) Subject to the terms of this Section 7.19, from and after the date that the Auction is declared closed by Sellers, Sellers shall not, directly or indirectly, and shall not permit any of their respective Affiliates or Representatives (or Representatives of any of their respective Affiliates) to initiate, negotiate or enter into any Alternative Transaction, including through an asset sale, share sale, merger, amalgamation or other similar transaction, including a plan of reorganization, with respect to a material portion of the Acquired Assets, in a transaction or series of transactions with one or more Persons other than Purchaser, or otherwise facilitate any effort or attempt to make any proposal or offer to Sellers or any of their respective Affiliates or Representatives (or Representatives of any of their respective Affiliates) with respect to an Alternative Transaction. Sellers shall promptly notify Purchaser upon any Seller's receipt or notice of any proposal for an Alternative Transaction, together with copies of any such written proposals for any Alternative Transaction (subject to Sellers' compliance with any applicable confidentiality obligations).

(b) Notwithstanding Section 7.19(a), if (i) any Seller or any of its Affiliates receives a *bona fide* written proposal from any Person (other than Purchaser or its Affiliates) with respect to an Alternative Transaction and such Seller's board of directors (or similar governing body) determines in good faith and after consultation with its legal counsel that failure to negotiate or pursue such Alternative Transaction would be inconsistent with its fiduciary duties, and (ii) Sellers have provided Purchaser written notice thereof in accordance with Section 7.19(a) and provided Purchaser an opportunity either to propose revisions to the terms of this Agreement to match such Alternative Transaction proposal or make another proposal that is higher or otherwise better than such Alternative Transaction and Sellers have considered such proposal and, if applicable, negotiated in good faith with Purchaser with respect thereof, with such opportunity period lasting for no less than three (3) Business Days, then Sellers shall be permitted to negotiate and, subject to Section 7.19(c) below, enter into an Alternative Transaction. If Purchaser, in good faith, offers terms and conditions that match those in the Alternative Transaction

proposal, Sellers agree to accept Purchaser's revised offer and revise this or a similar Agreement to reflect such terms and conditions.

(c) In addition to taking the steps detailed in Sections 7.19(a) and (b) above, prior to the Sellers' termination of this Agreement pursuant to Section 10.1(i), Sellers must give to Purchaser (i) written notice of such desire to terminate this Agreement and the materially final terms of the proposed Alternative Transaction and (ii) an opportunity either to propose revisions to the terms of this Agreement to match such Alternative Transaction proposal or make another proposal that is higher or otherwise better than such Alternative Transaction and Sellers have considered such proposal and, if applicable, negotiated in good faith with Purchaser with respect thereof, with such opportunity period lasting for no less than three (3) Business Days. After giving effect to the proposals made by Purchaser during such period, if such Seller's board of directors (or similar governing body) determines in good faith and after consultation with its legal counsel that failure to terminate this Agreement would be inconsistent with its fiduciary duties, then such Seller shall be permitted to terminate this Agreement pursuant to Section 10.1(i) and, subject to compliance with Section 10.2, enter into such Alternative Transaction. Subject to the foregoing, each Seller and its respective Affiliates and Representatives shall have the right to enter into or continue discussions or negotiations with holders of claims against or interests in the Sellers, any other party in interest in the Chapter 11 Cases (including the Committee and the United States Trustee), or any other Entity regarding the Sale and other restructuring transactions.

Section 7.20 Grant Financing.

(a) Subject to the terms and conditions of this Agreement, without limiting the terms of the Grant Commitment Letter, Purchaser will not permit any amendment or modification to be made to, or any waiver of any provision or remedy pursuant to, the Grant Commitment Letter if such amendment, modification or waiver would, or would reasonably be expected to, (i) reduce the aggregate amount of financing required to satisfy Purchaser's obligations under this Agreement and (ii) impose new or additional conditions or other terms or otherwise expand, amend or modify any of the conditions to the receipt of financing required to satisfy Purchaser's obligations under this Agreement.

(b) Subject to the terms and conditions of this Agreement and the Grant Commitment Letter, Purchaser shall take (or cause to be taken) all actions and do (or cause to be done) all things necessary, proper or advisable to (i) obtain the funding of the Grant contemplated by the Grant Commitment Letter (to the extent not funded on the date hereof), (ii) maintain in effect the Grant Commitment Letter, and (iii) enforce the rights of Purchaser under the Grant Commitment Letter.

Section 7.21 Purchaser Affiliate Insurance. Each Seller shall exercise Reasonable Efforts to cooperate in good faith and take all necessary or appropriate actions as may be reasonably requested by any Purchaser Affiliate to facilitate efforts by such Purchaser Affiliate to obtain, at its sole cost and expense, one or more directors and officers insurance policies. Out-of-pocket costs incurred by Sellers in connection with such efforts shall be borne by the Purchaser Affiliate.

Section 7.22 Lemonaid. Subject to and conditioned upon the occurrence of the Closing (unless the Purchaser and Sellers agree to exercise the Plan Toggle, in which case, the obligations described in this Section 7.22 shall not be subject to and conditioned upon the occurrence of the Closing), Purchaser agrees to serve as a stalking horse sponsor of a chapter 11 plan (the “**Lemonaid Plan**”) to acquire the reorganized equity interests in the Lemonaid Entities for an aggregate purchase price of \$2.5 million U.S. Dollars (the “**Lemonaid Plan Transaction**”). The Lemonaid Plan Transaction shall be subject to higher or otherwise better offers and the Debtors are permitted to conduct a sale and marketing process for the Lemonaid Entities, the parameters of which shall be in a form and substance reasonably acceptable to Purchaser. Sellers and Purchaser shall cooperate and use commercially reasonable efforts to take any actions reasonably necessary to implement and consummate the Lemonaid Plan Transaction, including, without limitation, (i) negotiating in good faith the Lemonaid Plan, and related agreements and documents with respect to Purchaser’s proposed acquisition of Lemonaid through the Lemonaid Plan, in each case as soon as reasonably practicable hereafter, which shall (1) be in form and substance acceptable to Sellers, (2) be in form and substance acceptable to Purchaser solely as it relates to the Lemonaid Plan Transaction and implementation thereof (and which, for the avoidance of doubt, shall not provide Purchaser with consent rights over any other provisions of the Lemonaid Plan or any other chapter 11 plan that do not directly affect the Lemonaid Plan Transaction), (3) include customary representations, warranties and covenants (including customary tax representations, warranties and covenants) and chapter 11 plan confirmation conditions, and chapter 11 plan effectiveness conditions, including, without limitation, conditions regarding the filings of any required documentation to transfer the Permits to Purchaser and receipt of any approvals of any Governmental or Regulatory Authority in connection with the Lemonaid Plan Transaction, and (4) include a discharge of liabilities to the maximum extent permitted by the Bankruptcy Code with respect to the Excluded Liabilities, provided that such discharge does not impact the rights of any successor to the Sellers or the Official Committee of Unsecured Creditors, or any trust created under the Lemonaid Plan or any other chapter 11 plan, with respect to the Excluded Assets other than the Lemonaid Assets, and (ii) obtaining Bankruptcy Court confirmation of the Lemonaid Plan by November 15, 2025. Between the confirmation and the effectiveness of the Lemonaid Plan, Sellers and Purchaser shall cooperate to provide reasonable transition services consistent with historical practices among Sellers and the Lemonaid Entities. For the avoidance of doubt, from and after the date hereof, Sellers shall operate the business of the Lemonaid Entities in a manner consistent with the interim operating covenants set forth in Section 7.1. Notwithstanding the foregoing, nothing in this Section 7.22 shall limit Purchaser’s rights under Section 8.1, including to extend offers of employment to each Business Employee, including any Business Employee primarily related to the Lemonaid Business. In connection with the foregoing, Purchaser expects to extend an offer of employment to all such Business Employees on compensation and benefits terms substantially similar to their current terms. Sellers shall consider in good faith any other tax related terms reasonably requested by Purchaser to the extent related to the Lemonaid Entities or the Lemonaid Assets and Sellers shall agree to any tax covenant or election that does not have material adverse tax consequences to any Seller.

ARTICLE VIII

Employee Matters

Section 8.1 Transferred Employees. Prior to, and contingent on the occurrence of the Closing, Purchaser or an Affiliate of Purchaser shall extend an offer of employment to each of those Business Employees identified by Purchaser in its sole and absolute discretion (such Business Employees who receive an offer of employment, the “**Offer Employees**”), with such employment to take effect under the terms stated herein as of the Closing. In connection with the foregoing, Purchaser expects to extend an offer of employment to substantially all such employees, provided that Purchaser may elect to defer extending offers of employment to any Business Employee primarily related to the Lemonaid Business and instead extend offers of employment to substantially all such Business Employees in connection with the consummation of the Lemonaid Plan Transaction. Seller and its Affiliates shall cooperate in good faith with and provide reasonable assistance to Purchaser and its Affiliates in its or their efforts to enter into an offer letter or employment agreement with the Offer Employees, including by (i) making the Business Employees reasonably accessible to meet and interview with Purchaser or its Affiliates, and (ii) otherwise facilitating Purchaser’s and its Affiliates’ interview and evaluation processes. Each Offer Employee who accepts an offer of employment from Purchaser or an Affiliate of Purchaser and commences employment with Purchaser or any of its Affiliates shall be referred to herein as a “**Transferred Employee.**”

Section 8.2 Benefits Matters. With respect to each Transferred Employee, for a period of twelve (12) months following the Closing Date (or until the Transferred Employee’s earlier termination of employment with Purchaser and its Affiliates), Purchaser shall, or cause an affiliate of Purchaser to, provide each Transferred Employee with (a) base salary or base wage rate at least equal to such Transferred Employee’s base salary and base wage rate as in effect immediately prior to the Closing, (b) cash incentive opportunities for such Transferred Employee that are no less favorable than those in effect for such Transferred Employee immediately prior to the Closing and (c) retirement, health and welfare benefits that are substantially comparable to those provided to the applicable Transferred Employee immediately prior to the Closing Date. For the avoidance of doubt, under no circumstances shall Purchaser be obligated to provide any Transferred Employee with any equity incentive compensation or any payment or opportunity in lieu thereof. The benefits described in clause (c) of the preceding sentence may be provided pursuant to an Assumed Benefit Plan or a plan established or designated by Purchaser (such established or designated plans, together with the Assumed Benefit Plans, collectively, the “**Successor Benefit Plans**”). No later than five (5) Business Days prior to Closing, Purchaser shall inform Sellers which Benefit Plans (if any) Purchaser has identified to be Assumed Benefit Plans. From and after such notification, Purchaser and Sellers shall cooperate to take all necessary or appropriate actions to transfer the sponsorship of any such Assumed Benefit Plan and all corresponding Acquired Assets and Assumed Liabilities to Purchaser or a designee as of the Closing.

Section 8.3 Benefits Eligibility. As of and after the Closing, Purchaser shall use Reasonable Efforts to provide each Transferred Employee with service credit for purposes of eligibility, vesting and level of benefits (but not for purposes of benefit accrual under any defined benefit pension plan) under each Successor Benefit Plan for such Transferred Employee’s service prior to the Closing with Sellers or any of their respective Affiliates (and their respective

predecessors), to the same extent that such service was recognized immediately prior to the Closing under such Successor Benefit Plan; provided, that such service shall not be credited to the extent such credit would result in any duplication of compensation or benefits. Without limiting the foregoing, Purchaser shall use Reasonable Efforts to provide that (i) each Transferred Employee (and spouse and dependents thereof) will not be subject to any limitations as to pre-existing conditions, actively-at-work requirements, exclusions or waiting periods under any Successor Benefit Plan that is a health or welfare plan for any limitations for which such employee would have been entitled to coverage under such Successor Benefit Plan in which such Transferred Employee (or spouse or dependent thereof) was eligible to participate immediately prior to the Closing Date, and (ii) Purchaser shall use Reasonable Efforts to cause each Transferred Employee (and spouse and dependents thereof) to be given full credit under each Successor Benefit Plan for any co-payments, deductibles, out-of-pocket expenses and lifetime maximums paid or satisfied, as applicable, during the relevant plan year up to and including the Closing Date.

Section 8.4 WARN Act. Purchaser will have responsibility under the WARN Act with respect to the Transferred Employees to the extent that WARN Act Liabilities arise from the Purchaser's termination of any Transferred Employees after the Closing Date. Sellers shall be solely responsible for compliance with the WARN Act and for all other WARN Act Liabilities with respect to the termination of any Business Employees prior to and on the Closing Date, including any Liabilities that result from any Business Employees' separation of employment from Sellers and/or Business Employees not becoming Transferred Employees pursuant to this Article VIII. Unless (a) otherwise agreed to by Sellers and Purchaser or (b) already issued by the Sellers, Sellers agree to issue, no later than sixty (60) days prior to the Closing Date, all required or potentially required WARN Act notices, in a form reasonably acceptable to Purchaser, to the Business Employees and all other parties required to receive notice under the WARN Act.

Section 8.5 Termination of Business Employees. The employment of each Business Employee (other than any Business Employees whose offers of employment by Purchaser were deferred in connection with the Lemonaid Plan as permitted by Section 8.1) shall terminate effective as of or immediately prior to the Closing, and Sellers shall comply with, and hold Purchaser and its Affiliates harmless from, all legal or contractual requirements arising out of, resulting from or relating to such termination of any Business Employee (i) who has accepted an offer of employment made by Purchaser (or its Affiliate) or (ii) who has rejected an offer of employment made by Purchaser (or its Affiliate) that contains the terms specified herein; provided, however, that subject to Purchaser's right, in its sole discretion, to determine which Business Employees to extend an offer of employment to pursuant to Section 8.1, Sellers and Purchaser may mutually agree (such agreement not to be unreasonably withheld) to a list of Business Employees who shall not be terminated pursuant to this Section 8.5 no later than two (2) Business Days prior to the Closing Date. In the event that Purchaser does not extend an offer of employment to a Business Employee whose [employment agreement] is listed on Section 8.5 of the Seller Disclosure Schedules, Purchaser shall assume the Sellers' obligation to pay any cash severance amounts pursuant to the applicable [employment agreement] with such Business Employee, in an amount not to exceed \$350,000 for each such Business Employee.

Section 8.6 Paid Time Off. No later than the Closing Date or such later date as may be permitted by applicable Law, Sellers shall pay each Business Employee for any amounts of unused hours of vacation, paid time off and other leave that such Business Employee has accrued as of the Closing Date.

ARTICLE IX

Conditions to Closing

Section 9.1 Conditions to the Obligations of Purchaser. The obligation of Purchaser to effect the Closing is subject to the satisfaction (or waiver by Purchaser in its sole and absolute discretion) on the Closing Date of the following conditions:

(a) Representations and Warranties. (i) Each of the Seller Fundamental Representations shall be true and correct in all material respects, in each case as of the Execution Date and as of the Closing as if made as of the Closing, except for such representations and warranties which are as of a specific date, which shall be true and correct in all material respects as of such date, (ii) the representation and warranty of the Sellers set forth in Section 5.1(u)(i), shall be true and correct in all respects as of the Closing, as if made as of the Closing, and (iii) each of the representations and warranties of Sellers contained herein (other than the Seller Fundamental Representations and Section 5.1(u)(i)) shall be true and correct in all respects (without giving effect to any limitation as to materiality or Business Material Adverse Effect), in each case as of the Execution Date and as of the Closing as if made as of the Closing, except for (x) changes expressly permitted or contemplated hereby, (y) representations and warranties which are as of a specific date, which shall be true and correct as of such date, subject to the immediately following clause (z), or (z) where the failure to be so true and correct would not in the aggregate reasonably be expected to have a Business Material Adverse Effect or materially and adversely effect the ability of Sellers to consummate the transactions contemplated hereby. Purchaser will have received a certificate from Sellers signed on behalf of each Seller by a duly authorized officer thereof with respect to the foregoing.

(b) Covenants. The covenants and agreements of Sellers to be performed on or prior to the Closing will have been duly performed in all material respects. Purchaser will have received a certificate from Sellers signed on behalf of each Seller by a duly authorized officer thereof with respect to the foregoing.

(c) Related Agreements. Each Seller will have duly executed and delivered to Purchaser the Related Agreements to which such Seller is to be a party.

(d) Sellers' Deliveries. Sellers will have delivered or caused to be delivered to Purchaser the items listed in Section 4.2(a) in form and substance as required herein.

(e) Business Material Adverse Effect. Since the Execution Date, there shall not have occurred a Business Material Adverse Effect. Purchaser will have received a certificate from Sellers signed on behalf of each Seller by a duly authorized officer thereof with respect to this Section 9.1(e).

(f) Required Consents. Sellers will have received any consent, authorization, order or approval of, or any exemption by, any third party described or otherwise set forth on Section 9.1(f) of the Seller Disclosure Schedules; provided that Sellers shall not be required to obtain any consents to the assignment of any Contract under this Agreement from the applicable Contract counterparty to the extent the Sale Order or any other Order of the Bankruptcy Court entered prior to the Closing Date authorizes assumption and assignment of such Contract to Purchaser without the consent of the counterparty.

Section 9.2 Conditions to the Obligations of Sellers. The obligation of Sellers to effect the Closing is subject to the satisfaction (or waiver by Sellers in their sole and absolute discretion) on the Closing Date of the following conditions:

(a) Representations and Warranties. Each of the other representations and warranties of Purchaser contained herein shall be true and correct in all material respects, in each case as of the Execution Date and as of the Closing as if made as of the Closing, except for such representations and warranties which are as of a specific date, which shall be true and correct in all material respects as of such date, except, in each case, where the failure to be so true and correct would not in the aggregate materially and adversely affect the ability of Purchaser to consummate the transactions contemplated hereby. Sellers will have received a certificate from Purchaser signed on behalf of Purchaser by a duly authorized signatory thereof with respect to the foregoing.

(b) Covenants. The covenants and agreements of Purchaser to be performed on or prior to the Closing will have been duly performed in all material respects. Sellers will have received a certificate from Purchaser signed on behalf of Purchaser by a duly authorized officer thereof with respect to the foregoing.

(c) Receipt of Purchase Price. Sellers will have received from Purchaser an amount equal to (i) the Purchase Price minus (ii) the Earnest Deposit, as provided and in accordance with Section 3.1(b) of the Agreement. Sellers will have also received the Earnest Deposit from the Escrow Agent. Sellers shall have received evidence of the payment of the Cure Amounts (up to the Cure Amounts Cap).

(d) Related Agreements. Purchaser will have duly executed and delivered to Sellers each of the Related Agreements to which Purchaser is a party.

(e) Purchaser's Deliveries. Purchaser will have delivered or caused to be delivered to Sellers the items listed in Section 4.2(b).

Section 9.3 Conditions Precedent to Obligations of Purchaser and Sellers. The respective obligations of the parties to effect the Closing are subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by Purchaser and Sellers in whole or in part to the extent permitted by applicable Law):

(a) there shall not be in effect any Order by a Governmental or Regulatory Authority (i) declaring this Agreement or any Related Agreement invalid or unenforceable in any respect or (ii) restraining, enjoining or otherwise prohibiting or making illegal the

Closing, in each case, that is not stayed by the commencement of the Bankruptcy Cases or any Order of the Bankruptcy Court;

(b) the Sale Order, together with any other Order of the Bankruptcy Court required to consummate the transactions contemplated hereby, shall have been entered by the Bankruptcy Court and shall not be subject to stay as of the Closing;

(c) subject to the provisions of Section 7.3, the Sale Order shall approve and authorize the assumption and assignment of the Transferred Contracts and the Transferred Contracts shall have been actually assumed and assigned to Purchaser, subject to the payment of applicable Cure Amounts (with respect to Purchaser's payment thereof, subject to the Cure Amounts Cap);

(d) any applicable waiting period (and any extensions thereof) under the HSR Act or any other applicable Antitrust Law shall have expired or been terminated; and

(e) all conditions to the closing of the Sale under the Sale Order, if any, other than the Closing, shall have occurred or been waived pursuant to the terms of the Sale Order.

Section 9.4 Frustration of Closing Conditions. Purchaser may not rely on the failure of any condition set forth in this Article IX to be satisfied if such failure was caused by Purchaser's failure to comply with the terms of this Agreement. Sellers may not rely on the failure of any condition set forth in this Article IX to be satisfied if such failure was caused by any Seller's failure to comply with the terms of this Agreement.

ARTICLE X

Termination

Section 10.1 Termination. Subject to Section 10.2, this Agreement may be terminated at any time prior to the Closing Date:

(a) by written agreement of Sellers and Purchaser;

(b) by either Purchaser, on the one hand, or Sellers, on the other hand, by written notice to the other, if the Closing has not occurred on or prior to the Outside Closing Date (unless, in each case, the failure to consummate the Closing by such date is due to the failure of the party seeking to terminate this Agreement to have fulfilled any of its obligations under this Agreement);

(c) by either Purchaser, on the one hand, or Sellers, on the other hand, by written notice to the other, in the event that any Governmental or Regulatory Authority has issued a final, non-appealable Order or ruling or taken any other final, non-appealable Action, or any applicable Law has been entered, adopted, enacted or promulgated, in each case permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement that is not stayed by the commencement of the Bankruptcy Cases or any Order of the Bankruptcy Court; provided, however, that a party

hereto shall not be permitted to terminate this Agreement pursuant to this Section 10.1(c) if such party did not use Reasonable Efforts to have such Order, ruling or non-appealable Action vacated or otherwise dismissed prior to it becoming final and non-appealable or if such party's failure to fulfill any material obligation under this Agreement shall have been a material cause of, or resulted in the occurrence of, such restraint;

(d) by Sellers, by written notice to Purchaser, (i) in the event that, other than through the failure of a Seller to comply with its obligations under this Agreement, one or more of the conditions to Sellers' obligation to effect the Closing is or becomes impossible to satisfy at any time after the Execution Date and Sellers have not waived such condition(s) or (ii) if no Seller is in material breach of any terms of this Agreement, upon a material breach of a representation, warranty, or covenant on the part of Purchaser set forth in this Agreement such that a condition set forth in Section 9.2 or Section 9.3 would not reasonably be expected to be satisfied as of the time of such termination, and such breach is not capable of being cured or has not been cured by the earlier of (i) two (2) Business Days prior to the Outside Date or (ii) within thirty (30) days after Purchaser receives written notice thereof from Sellers;

(e) by Purchaser, by written notice to Sellers, (i) in the event that, other than through the failure of Purchaser to comply with its obligations under this Agreement, one or more of the conditions to Purchaser's obligation to effect the Closing is or becomes impossible to satisfy at any time after the Execution Date and Purchaser has not waived such condition(s) or (ii) if Purchaser is not in material breach of any terms of this Agreement, upon a material breach of a representation, warranty, or covenant on the part of any Seller set forth in this Agreement such that a condition set forth in Section 9.1 or Section 9.3 would not reasonably be expected to be satisfied as of the time of such termination, and such breach is not capable of being cured or has not been cured by the earlier of (i) two (2) Business Days prior to the Outside Date or (ii) within thirty (30) days after Seller receives written notice thereof from Purchaser;

(f) by Purchaser, by written notice to Sellers, if the Sale Order entered by the Bankruptcy Court has been (A) subject to a stay, vacated or reversed or (B) amended, supplemented or otherwise modified in a manner that is adverse to Purchaser in any material respect without Purchaser's prior written consent;

(g) by either Purchaser, on the one hand, or Sellers, on the other hand, by written notice to the other, if (i) Purchaser is not the Successful Bidder or Backup Bidder at the Auction, (ii) prior to Closing, the Bankruptcy Court enters an order dismissing or converting the Bankruptcy Cases to a case under Chapter 7 of the Bankruptcy Code, (iii) the Bankruptcy Court enters an Order denying approval of the Sale or the Sale Order, or (iv) without the Sellers' consent, a trustee under chapter 7 or chapter 11 of the Bankruptcy Code is appointed in the Bankruptcy Cases;

(h) by Purchaser, by written notice to Sellers, if Sellers withdraw the request for authority to sell the Acquired Assets and assume and assign the Transferred Contracts or any Seller takes any Action seeking to void or modify the Sale Order;

(i) by written notice from Sellers to Purchaser, if, subject to the terms of Section 7.19, any Seller or the board of directors (or similar governing body) of any Seller determines in good faith and after consultation with its legal counsel that proceeding with the transactions contemplated by this Agreement or failing to terminate this Agreement would be inconsistent with its or such Person's or body's fiduciary duties; or

(j) by Purchaser, by written notice to Sellers, if Sellers (i) move to voluntarily dismiss the Bankruptcy Cases or (ii) move for conversion of the Bankruptcy Cases to a case under chapter 7 of the Bankruptcy Code, in each case, unless the effectiveness thereof is to occur after the Closing.

Section 10.2 Effect of Termination. In the event of the termination of this Agreement in accordance with Section 10.1, this Agreement will thereafter become void and have no effect, and no party hereto will have any Liability to the other party hereto or their respective Affiliates, directors, officers or employees, except for the obligations of the parties hereto contained in this Section 10.2, in Article XII and in Section 7.8; provided, however, that (a) if this Agreement is validly terminated by Sellers prior to Closing pursuant to Section 10.1(d)(ii), Purchaser and Seller shall, within three (3) Business Days following the termination of this Agreement and without the requirement of any approval by the Bankruptcy Court, deliver a joint written instruction to the Escrow Agent instructing the Escrow Agent to distribute the Deposit Escrow Funds to Sellers, (b) if this Agreement is validly terminated by Sellers or Purchaser prior to Closing for any reason other than by Sellers pursuant to Section 10.1(d)(ii), Purchaser and Seller shall, within three (3) Business Days following the termination of this Agreement and without the requirement of any approval by the Bankruptcy Court, deliver a joint written instruction to the Escrow Agent instructing the Escrow Agent to distribute the Deposit Escrow Funds to Purchaser, and (c) if this Agreement is terminated by Sellers pursuant to Section 10.1(i), within three (3) Business Days following the such termination of this Agreement, in addition to delivery of written instructions to the Escrow Agent pursuant to subparagraph (b) above, and without the requirement of any approval by the Bankruptcy Court, Sellers shall, jointly and severally, promptly pay to Purchaser an aggregate amount equal to five million dollars (\$5,000,000) (the "**Damages Amount**"). In the event the Deposit Escrow Funds are distributed to Sellers or the Damages Amount is paid to Purchaser in accordance with the foregoing sentence, except as otherwise provided herein, such distribution to such party shall be such party's sole and exclusive remedy as a result of such termination and shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by such party in connection with this Agreement (and the termination hereof), the transactions contemplated by this Agreement (and the abandonment thereof) or any matter forming the basis for such termination, and neither such party nor or any of its respective Affiliates shall be entitled to bring or maintain any claim, action or proceeding against the other party or any of its Affiliates arising out of or in connection with this Agreement, any of the transactions contemplated by this Agreement or any matters forming the basis for such termination; provided, however, that the nothing in this Agreement shall relieve Sellers or Purchaser from any liability, or prevent any claim, action or proceeding against the other party or its Affiliates, in respect of Fraud or willful and material breach of this Agreement prior to such termination. The Grant Commitment Letter shall survive any termination of this Agreement in accordance with its terms and nothing in this Section 10.2 shall be construed to discharge or relieve any party to the Grant Commitment Letter of its obligations thereunder.

ARTICLE XI

Bankruptcy Matters

Section 11.1 Bankruptcy Cases. On the Petition Date, Sellers filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code, which cases are jointly administered under Case No. 25-40976-357 (the “**Bankruptcy Cases**”) in the United States Bankruptcy Court for the Eastern District of Missouri (the “**Bankruptcy Court**”) as of the Execution Date.

Section 11.2 Bankruptcy Court Approvals.

(a) Sellers and Purchaser acknowledge that this Agreement is subject to approval by the Bankruptcy Court by entry of the Sale Order.

(b) If Purchaser is selected as the Successful Bidder or Backup Bidder pursuant to the Bidding Procedures Order and the Bidding Procedures, a list of the Transferred Contracts shall be filed with the Bankruptcy Court and served upon applicable counterparties pursuant to and in accordance with the Bidding Procedures Order. Such list shall set forth the applicable Cure Amounts, if any, for each Transferred Contract as reasonably estimated in good faith by Sellers.

(c) Sellers and Purchaser shall consult with one another regarding pleadings that any of them intends to file with the Bankruptcy Court that might reasonably affect this Agreement, the transactions contemplated hereby, or any other documents or actions contemplated hereby or in connection therewith. Seller shall (i) provide a copy of any such pleadings or other documents it intends to file to Purchaser and its counsel at least two (2) Business Days prior to filing such pleadings or documents, to the extent reasonably practicable, (ii) provide Purchaser and its counsel a reasonable opportunity to review and comment on such document, and any amendment or supplement thereto, and (iii) consider any comments of Purchaser and its counsel with respect thereto.

(d) If the Sale Order or any other Orders of the Bankruptcy Court relating to the transactions contemplated by this Agreement shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Sale Order or other such Order), subject to rights otherwise arising from this Agreement, including each party’s respective right to terminate this Agreement pursuant to Section 10.1, Sellers will promptly notify Purchaser of such appeal, petition motion, or stay request, and Sellers, with input from the Purchaser, will use Reasonable Efforts to defend against such appeal, petition, motion or stay request.

(e) Sellers and Purchaser agree to keep the other reasonably apprised of the status of material matters related to this Agreement, including, upon reasonable request promptly furnishing the other with copies of notices or other material communications received by Sellers from the Bankruptcy Court or any third party and/or any Governmental or Regulatory Authority with respect to the transactions contemplated by this Agreement.

Section 11.3 Further Filings and Assurances.

(a) Purchaser agrees that it will promptly take such Reasonable Efforts as are reasonably requested by Sellers to assist in obtaining entry of the Sale Order and a finding of adequate assurance of future performance by Purchaser (or any applicable Designated Purchaser(s)), including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by Purchaser under the Transferred Contracts and demonstrating that Purchaser is a “good faith” purchaser under Section 363(m) of the Bankruptcy Code.

(b) In the event the entry of the Sale Order shall be appealed, each party shall use its respective Reasonable Efforts to defend against such appeal; provided, however, that nothing herein shall alter, amend or modify the conditions to Closing set forth in Section 9.3(b) hereof.

Section 11.4 Notice of Sale. Notice of the sale of Acquired Assets contemplated in this Agreement shall be served in accordance with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, the Local Rules of the Bankruptcy Court and the Bidding Procedures Order.

Section 11.5 Free and Clear. The transfer of the Acquired Assets shall vest Purchaser (or the applicable Designated Purchaser(s)) with all right, title, and interest of Sellers in the Acquired Assets free and clear of any and all Liens, Liabilities and other Interests (other than Permitted Encumbrances and Assumed Liabilities) pursuant to Sections 105, 363(f), 365 and/or 1123(b)(4) of the Bankruptcy Code, as applicable, whether arising by statute or otherwise and whether arising before or after the commencement of the Bankruptcy Cases, whether known or unknown, including Interests of or asserted by any of the creditors, vendors, employees, suppliers, or lessors of Sellers or any other third party; provided, that any and all such Liens, Liabilities and other Interests shall attach to the net proceeds of the Purchase Price, with the same priority, validity, force and effect as they now have against the Acquired Assets. Purchaser (or the applicable Designated Purchaser(s)) shall not be liable for any liability for any Lien, Liability or other Interest, other than the Assumed Liabilities and Permitted Encumbrances.

Section 11.6 Transfer Tax Exemption. The transactions contemplated herein shall be exempt from Transfer Tax to the fullest extent available in accordance with Section 1146 of the Bankruptcy Code.

Section 11.7 Bidding Procedures. Nothing in this Article XI shall prevent Sellers from modifying the Bidding Procedures as necessary or appropriate to maximize value for Sellers’ estates in accordance with Sellers’ fiduciary obligations.

Section 11.8 Plan Toggle. Notwithstanding anything to the contrary herein, the Purchaser and Sellers may agree to elect to effectuate the transactions contemplated by this Agreement pursuant to a chapter 11 plan that is in form and substance reasonably acceptable to the Purchaser and Sellers (a “**Plan Toggle**”). If the Plan Toggle is exercised, Sellers and Purchaser shall cooperate and use commercially reasonable efforts to take any actions reasonably necessary to effectuate the transactions contemplated by this Agreement pursuant to a chapter 11

plan, including, without limitation, obtaining Bankruptcy Court confirmation of the plan on a mutually agreed timeline. If the Plan Toggle is exercised, the Purchaser and Sellers shall attempt to implement the Plan Toggle in a manner that results in tax treatment that is mutually agreeable to the parties. For the avoidance of doubt, consummation of a Plan Toggle shall be in each of Sellers' and Purchaser's sole discretion, and in no event shall any Seller or Purchaser be required to agree to a Plan Toggle and may refuse any Plan Toggle in each parties' sole discretion.

Section 11.9 Sale Order. The Sale Order, which shall be in form and substance reasonably acceptable to the Purchaser, shall contain, among other provisions, the following provisions:

(a) the sale of the Acquired Assets by Sellers to Purchaser (A) are or will be legal, valid and effective transfers of the Acquired Assets; (B) vest or will vest Purchaser with all right, title and interest of Sellers to the Acquired Assets free and clear of all Liens, Liabilities and other Interests (other than Permitted Encumbrances and Assumed Liabilities); and (C) constitute transfers for reasonably equivalent value and fair consideration under the Bankruptcy Code and the laws of the state in which any of the Sellers are incorporated and any other applicable non-bankruptcy laws;

(b) all Persons are enjoined from taking any actions against Purchaser or any Affiliates of Purchaser, to recover any claim which such person has against Sellers or its Affiliates;

(c) obligations of Sellers relating to Taxes, whether arising under Law, by this Agreement, or otherwise, shall be fulfilled by Sellers;

(d) the provisions of the Sale Order are non-severable and mutually dependent;

(e) the Purchaser is not a successor to any Sellers or its Subsidiaries or the bankruptcy estate by reason of any theory of law or equity, and the Purchaser shall not assume or in any way be responsible for any Liability of the Seller, Subsidiary of Seller, or any of their Affiliates and/or the bankruptcy estate, except as expressly provided in this Agreement;

(f) the Purchaser shall not have any derivative, successor, transferee or vicarious liability for Liabilities of any Seller or its Subsidiaries (whether under federal or state law or otherwise) as a result of the sale of the Acquired Assets and the assumption of the Assumed Liabilities, including such Liabilities on account of any Taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the Acquired Assets or Assumed Liabilities;

(g) Purchaser has acted in good faith within the meaning of Section 363(m) of the Bankruptcy Code, the transactions are undertaken by Purchaser and Sellers at arm's length, without collusion and in good faith within the meaning of Section 363(m) of the Bankruptcy Code, such parties are entitled to the protections of Section 363(m) of the Bankruptcy Code, and find that Purchaser did not engage in any conduct that would allow this Agreement to be set aside pursuant to Section 363(n) of the Bankruptcy Code;

(h) all Transferred Contracts shall be assumed by Purchaser or Designated Purchaser(s) and assigned to Purchaser or Designated Purchaser(s) pursuant to Section 365 of the Bankruptcy Code (subject to Purchaser's obligation to pay all Cure Amounts solely with respect to Transferred Contracts up to the Cure Amounts Cap for each Transferred Contract);

(i) order that the Transferred Contracts will be transferred to, and remain in full force and effect for the benefit of Purchaser, notwithstanding any provision in any such contract or any requirement of applicable Law (including those described in Sections 365(b)(2) and 365(f) of the Bankruptcy Code) that prohibits, conditions, restricts or limits in any way such assignment or transfer;

(j) find that Purchaser has satisfied all requirements under Sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code to provide adequate assurance of future performance of the Transferred Contracts;

(k) the Bankruptcy Court retains exclusive jurisdiction to interpret and enforce the provisions of this Agreement, the Bidding Procedures Order and the Sale Order in all respects; provided, however, that in the event the Bankruptcy Court abstains from exercising or declines to exercise jurisdiction with respect to any matter provided for in this clause or is without jurisdiction, such abstention, refusal or lack of jurisdiction shall have no effect upon and shall not control, prohibit or limit the exercise of jurisdiction of any other court having competent jurisdiction with respect to any such matter; and

(l) such other provisions as Purchaser may agree to in its reasonable discretion.

ARTICLE XII

Miscellaneous

Section 12.1 Survival. All covenants and agreements contained herein which by their terms are to be performed in whole or in part, or which prohibit actions, subsequent to the Closing shall, solely to the extent such covenants and agreements are to be performed, or prohibit actions, subsequent to the Closing, survive the Closing in accordance with their terms until fully performed or satisfied. All other covenants and agreements contained herein, and all representations and warranties contained herein or in any certificated deliveries hereunder, in each case shall not survive the Closing and shall thereupon terminate and be of no further force or effect, including any actions for damages in respect of any breach or inaccuracy thereof. Notwithstanding the foregoing, nothing contained in this Section 12.1 shall prevent, limit or otherwise restrict any cause of action under Section 12.11 to seek or obtain an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof. Furthermore, notwithstanding anything to the contrary contained in this Agreement, the provisions of this Section 12.1 will not prevent or limit in any way a cause of action on account of Fraud.

Section 12.2 Governing Law and Jurisdiction. Except to the extent governed by the Bankruptcy Code, this Agreement will be governed by and be construed in accordance with the

Laws of the State of Delaware, without regard however to the conflicts of laws principles thereof. Without limiting any party's right to appeal any Order of the Bankruptcy Court, (a) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Claims or disputes that may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby, including, but not limited to, the assumption and assignment of the Transferred Contracts, and (b) any and all legal proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the parties hereto hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations pursuant to Section 12.3 hereto. To the extent not prohibited by applicable Law or Bankruptcy Court rule, each party hereby waives and agrees not to assert, by way of motion, as a defense or otherwise in any such proceeding, any Claim (i) that it is not subject to the jurisdiction of the Bankruptcy Court, (ii) that the proceeding is brought in an inconvenient forum, (iii) that it is immune from any legal process with respect to itself or its property, (iv) that the venue of the proceeding is improper, or (v) that this Agreement or the subject matter hereof or thereof may not be enforced in or by such court. Each of the parties hereto hereby (x) irrevocably submits with regard to any such legal proceeding to the exclusive personal jurisdiction of the Bankruptcy Court in the event any dispute arises out of this Agreement or any transaction contemplated hereby, including, but not limited to, the assumption and assignment of the Transferred Contracts, (y) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from the Bankruptcy Court or that such Action is brought in an inconvenient forum, and (z) agrees that it shall not bring any Action relating to this Agreement or any transaction contemplated hereby in any court other than the Bankruptcy Court; provided, that, a party may commence any Action or proceeding in a court other than the Bankruptcy Court solely for the purpose of enforcing an Order or judgment issued by the Bankruptcy Court. The parties waive personal service of any and all process on each of them and consent that all such service of process shall be made in the manner, to the party and at the address set forth in Section 12.3 of this Agreement, and service so made shall be complete as stated in such Section 12.3. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY.

Section 12.3 Notices. All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been given (a) when delivered by hand (with written confirmation of receipt), (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested), (c) on the date sent by email (so long as no "bounceback" or similar "undeliverable" message is received by the sender thereof) or (d) on the third (3rd) day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the respective parties at the following addresses (or at such other address for a party as shall be specified in a notice given in accordance with this Section 12.3):

Section 12.4 Amendments and Waivers.

(a) This Agreement may be amended, superseded, canceled, renewed or extended, and the terms hereof may be waived, only by a written instrument signed by the parties hereto or, in the case of a waiver, by the party against whom the waiver is to be effective. Neither the failure nor any delay by any party in exercising any right, power or privilege under this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right,

power or privilege. To the maximum extent permitted by applicable Law (i) no claim or right arising out of this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other party, (ii) no waiver that may be given by a party will be applicable except in the specific instance for which it is given, and (iii) no notice to or demand on one party will be deemed to be a waiver of any obligation of such party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement.

(b) A failure or omission of any party to insist, in any instance, upon strict performance by another party of any term or provision of this Agreement or to exercise any of its rights hereunder will not be deemed a modification of any term or provision hereof or a waiver or relinquishment of the future performance of any such term or provision by such party, nor will such failure or omission constitute a waiver of the right of such party to insist upon future performance by another party of any such term or provision or any other term or provision of this Agreement.

Section 12.5 Entire Agreement. This Agreement, together with Seller Disclosure Schedules, all Exhibits and Schedules hereto and the documents, agreements, certificates and instruments referred to herein and therein, including the Related Agreements, Confidentiality Agreement, Grant Commitment Letter and related Orders, including the Sale Order, constitutes the entire agreement between the parties hereto and with respect to the subject matter hereof and supersedes all prior representations, warranties, agreements and understandings, oral or written, with respect to such matters and other than any written agreement of the parties that expressly provides that it is not superseded by this Agreement.

Section 12.6 Headings: Interpretation. The headings in this Agreement are intended solely for convenience of reference and will be given no effect in the construction or interpretation of this Agreement. Unless the context otherwise requires, the singular includes the plural, and the plural includes the singular.

Section 12.7 No Assignment: Binding Effect. This Agreement is not assignable by any party without the prior written consent of the other party. Notwithstanding the foregoing, Purchaser may, without the prior written consent of Sellers, (i) assign this Agreement or all or any portion of Purchaser's rights, interests and obligations hereunder to any of its Affiliates or to any Designated Purchaser(s) or (ii) designate any Person who is an Affiliate of Purchaser to perform any of Purchaser's obligations, in whole or in part (including the obligation to acquire any of the Acquired Assets or the obligation to assume any Assumed Liabilities), under this Agreement, provided, however, with respect to each of the foregoing clauses (i) and (ii), (A) Purchaser provides notice to Sellers at least three (3) Business Days prior to the Closing and (B) in no event will such an assignment release Purchaser from its obligations hereunder. This Agreement will be binding upon and will inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 12.8 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. Any electronic signature, including via portable document format (pdf) or DocuSign, attached hereto will be deemed to be an original and will have the same force and effect as an original signature.

Section 12.9 Incorporation by Reference. The Seller Disclosure Schedules and any other Schedules and Exhibits and the documents referenced therein constitute integral parts of this Agreement and are hereby incorporated by reference herein.

Section 12.10 Time of the Essence. With regard to all dates and time periods set forth or referred to in this Agreement, time is of the essence.

Section 12.11 Specific Performance. Each party hereby acknowledges and agrees that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed by a party in accordance with their specific terms or were otherwise breached by a party. Notwithstanding anything to the contrary herein, if any party violates or refuses to perform any covenant or agreement made by such party herein, without limiting or waiving in any respect any rights or remedies of a party under this Agreement now or hereafter existing at law, in equity or by statute, the non-breaching party or parties shall, in addition to any other remedy to which a party is entitled at law or in equity, be entitled to specific performance of such covenant or agreement or seek any other equitable relief, in each case without the proof of actual damages. Each party agrees to waive any requirement for the security or posting of any bond in connection with any such equitable remedy, and agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that (a) the other party has an adequate remedy at law, or (b) an award of specific performance is not an appropriate remedy for any reason at law or equity. In no event shall Seller be entitled to both specific performance of this Agreement to cause the Closing to occur and to retain the Deposit Escrow Funds upon a termination of this Agreement in accordance with Section 10.2.

Section 12.12 No Third-Party Beneficiaries.

(a) Except as provided in Section 12.16, the terms and provisions of this Agreement are intended solely for the benefit of the parties hereto and their respective successors and permitted assigns, and do not and shall not confer third-party beneficiary rights upon any other Person.

(b) For the avoidance of doubt, all provisions contained in this Agreement, including with respect to Benefit Plans or compensation of any Business Employees are included for the sole benefit of the respective parties hereto, and nothing contained herein (i) shall confer upon any former, current or future employee of Sellers or Purchaser or any legal representative or beneficiary thereof any rights or remedies, including any right to employment or continued employment, of any nature, for any specified period, (ii) shall cause the employment status of any former, present or future employee to be other than terminable at will, (iii) shall confer any third-party beneficiary rights upon any employee or any dependent or beneficiary thereof or any heirs or assigns thereof or (iv) shall constitute an amendment of or commitment to amend any Benefit Plan or other employee compensation or benefit plan, program, policy or arrangement of Sellers, Purchaser or any of their respective Affiliates.

Section 12.13 Expenses. Whether or not the transactions contemplated hereby are consummated, each party hereto will pay its own costs and expenses incurred in connection with the negotiation, execution and closing of this Agreement and the Related Agreements and the transactions contemplated hereby and thereby provided. In the event of termination of this

Agreement, the obligation of each party to pay its own expenses will be subject to any rights of such party arising from a breach of this Agreement by another party. Notwithstanding the foregoing, (a) Sellers agree to pay all costs of releasing existing Liens and other Interests and recording the releases, (b) Purchaser agrees to pay any filing fees in connection with the filings made pursuant to the HSR Act (if any) and any federal, state or local Governmental or Regulatory Authority in accordance with Section 6.1 and (c) Sellers, on the one hand, and Purchaser, on the other hand, will each pay fifty percent (50%) of the cost of all document recordation costs and all Transfer Taxes not determined to be exempt in accordance with Section 1146 of the Bankruptcy Code arising by reason of the transactions contemplated by this Agreement to the extent the transactions contemplated herein are determined not to be exempt from such costs. Sellers and Purchaser shall use commercially reasonable efforts to cooperate to reduce or minimize any applicable Transfer Taxes.

Section 12.14 Severability. If any term or other provision of this Agreement is illegal, invalid or unenforceable under any Law or as a matter of public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision contained herein is, to any extent, invalid or unenforceable in any respect under the Laws governing this Agreement, the parties to this Agreement shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the greatest extent possible.

Section 12.15 Public Announcements. Prior to the Closing, unless otherwise required by applicable Law (including any of Purchaser's or its Affiliates' obligations to file or amend a Schedule 13D pursuant to the Exchange Act), the Bankruptcy Court, the Bidding Procedures or Bidding Procedures Order or by obligations of Purchaser or Sellers or their respective Affiliates pursuant to any listing agreement with or rules of any securities exchange, Purchaser, on the one hand, and Sellers, on the other hand, shall consult with each other before issuing any press release or otherwise making any public statement with respect to this Agreement or the transactions contemplated hereby and shall not issue any such release or make any such statement without the prior written consent of the other (such consent not to be unreasonably withheld, conditioned or delayed). From and after the Closing, the parties hereto may make public statements with respect to this Agreement or the transactions contemplated hereby so long as such announcements do not disclose the specific terms or conditions of this Agreement, except where such terms and conditions have already been disclosed as required by Law or by obligations of Purchaser or Sellers or their respective Affiliates pursuant to any listing agreement with or rules of any securities exchange or the Bankruptcy Court; provided, that the issuing party shall use its Reasonable Efforts to consult with the other party with respect to the text thereof to the extent practicable.

Section 12.16 No Liability. (i) No past, present or future director, officer, manager, employee, incorporator, member, partner or equityholder or other Affiliates of (A) any Seller (other than such Seller in its capacity as such), or (B) Purchaser, and (ii) none of the lenders or agents under any Indebtedness of a Seller, in any case, shall have any Liability for any obligations or liabilities of Sellers or Purchaser, as applicable, under this Agreement or any agreement,

document or instrument entered into in connection with this Agreement or for any Claim based on, in respect of, or by reason of, the transactions contemplated by this Agreement and thereby. Any Claim or cause of action based upon, arising out of, or related to this Agreement or any agreement, document or instrument contemplated hereby may only be brought against Persons that are expressly named as parties hereto or thereto, and then only with respect to the specific obligations set forth herein or therein. Other than the parties hereto, no other party shall have any Liability or obligation for any of the representations, warranties, covenants, agreements, obligations or liabilities of any party under this Agreement or the agreements, documents or instruments contemplated hereby or of or for any legal proceeding based on, in respect of, or by reason of, the transactions contemplated hereby or thereby (including the breach, termination or failure to consummate such transactions), in each case whether based on contract, tort, fraud, strict liability, other Law or otherwise and whether by piercing the corporate veil, by a claim by or on behalf of a party hereto or another Person or otherwise. For the avoidance of doubt, this Section 12.16 does not release or otherwise waive any claims, demands, or causes of action against any Seller or Seller Affiliate, the Purchaser or the Purchaser Affiliates except as expressly set forth in this Section 12.16.

Section 12.17 Liquidating Trustee. If at any time Seller liquidates, its estate is converted to a case under Chapter 7 of the Bankruptcy Code, or otherwise has a trustee or other representative appointed by the Bankruptcy Court then such trustee will be bound to perform the obligations of Seller and will be entitled to exercise the rights of Seller under this Agreement.
